Reinventing Sound Enrique Encabo, 2015-10-28 Recent years have witnessed a true technological revolution with a global impact upon all areas of society from entertainment to education Technology changing and evolving at increasing speed undoubtedly shapes ways of seeing the world something which requires profound reflection in terms of how reality is understood It is undeniable that in this audiovisual world music plays a leading and prominent role This is particularly notable when considering the importance of music in relation to the way it is featured on mobile devices and as manifested in terms of other communication technologies its impact on new narrative forms and the prominence of audiovisual fiction in advertising and the new ways of creating receiving and disseminating music on the Internet This book is divided into two sections New Media New Audiences and Music Cinema and Audiovisual Practices New Approaches and the sixteen essays brought together here are the work of an international group of scholars who deal with different geographical and cultural contexts One of the highlights of this volume is its interdisciplinary re reading of a complex phenomenon that is undoubtedly a fundamental part of contemporary culture As such this collection will be of particular interest to both scholars and non specialist readers

Kierkegaardian Essays Clare Carlisle, Steven Shakespeare, 2022-04-19 S ren Kierkegaard argued that the most essential truths come to light by asking How This innovative collection of essays by leading scholars focuses on this questioning How asking how we should relate to ourselves to others and to God how we should be in the world how we can become human The result is a searching original colloquium on what it means to be Kierkegaardian in the 21st century The adjective Kierkegaardian names many possibilities ways of philosophizing choosing loving looking listening reading writing teaching making art praying going to church or not going to church How gestures to subjectivity one of Kierkegaard s most fundamental philosophical categories while What signals an objectifying line of thought The authors of these essays suggest that the crucial Kierkegaardian question is not what we are and ought to do but how we can remain true to the finitude passivity and ambiguity of human existence While this Kierkegaardian how is often acknowledged by scholars it is rarely thematized directly Attending to it elicits new kinds of argument and reflection Kierkegaardian Essays proposes a fresh approach to Kierkegaard and is essential reading for experts and students alike [APPLE WATCH 5 MANUAL \(2020 Edition\) and Beyond](#)
