Cyber Week Tricks Open Now:

[Black Friday and Cyber Monday Guide](#) HowExpert, Tammy Marshall, 2017-12-19 Have you ever wondered how to save during the holidays? Presents and pampering guests there are all sorts of ways that you willingly spend during this season. The trick you may not know is that there are special days during the holiday season that you will save the most money. Stores know this; you can too! Our guide is designed to help you save your green during the festivities. You won't be a scrooge when you get your hands on the savings we've listed. In this book, you will find answers to the following questions: What is Black Friday and how do I get in on the savings? What is Cyber Monday and will it ever be Black Friday? What is Travel Tuesday? How do I stay safe online? Where are the best deals? What are some of the latest scams? Is Black Friday worth it? Is it better to shop online or in the store? What goods should I buy in the store? What should I buy online? How do I keep my bank account secure? What websites should I visit to help me find deals? What kind of mindset do I need to become a savvy shopper? Should I buy electronics online? About The Expert: Tammy Marshall is a savvy shopper. She's been one her entire life. She lives to save money. Her other passion is sharing how she finds new ways to save green. Tammy also deplores cyber crooks. Her mission is to uncover the latest scams so she can share them with you and help you protect your wallets. She's a professional journalist and has been writing for 20 years. When she isn't finding new ways to spend less, she is working on her family farm and growing her own veggies and displaying them at the county fair. She loves growing food like she loves to save dollars. For her, she doesn't just enjoy the thrill of shopping. She enjoys seeing prices drop while she fills her cart and her pantry at home. HowExpert publishes quick how-to guides on all topics from A to Z by everyday experts.

The Secret to Cybersecurity

Scott Augenbaum, 2019-01-29 Cybercrimes are a threat and as dangerous as an armed intruder yet millions of Americans are complacent or simply uninformed of how to protect themselves The Secret to Cybersecurity closes that knowledge gap by using real life examples to educate readers It's 2 a.m. do you know who your child is online with According to author Scott Augenbaum between 80 to 90 percent of students say they do whatever they want on their smartphones and their parents don't have a clue Is that you What about your online banking passwords are they safe Has your email account or bank debit card ever been compromised In 2018 there were data breaches at several major companies If those companies have your credit or debit information that affects you There are bad people in the world and they are on the internet They want to hurt you They are based all over the world so they're hard at work when even you're sleeping They use automated programs to

probe for weaknesses in your internet security programs And they never stop Cybercrime is on the increase internationally and it's up to you to protect yourself But how The Secret to Cybersecurity is the simple and straightforward plan to keep you your family and your business safe Written by Scott Augenbaum a 29 year veteran of the FBI who specialized in cybercrimes it uses real life examples to educate and inform readers explaining who why how so you'll have a specific takeaway to put into action for your family Learn about the scams methods and ways that cyber criminals operate and learn how to avoid being the next cyber victim

The Manipulation Economy - How People Get Rich Off Your Emotions Sonia Blake, Lucinda Berry, 2025-10-12 In a world where attention is currency you are the product Every scroll every like every outrage someone is cashing in The Manipulation Economy pulls back the curtain on the hidden system that thrives on your emotions fear anger envy even love and turns them into profit From social media algorithms designed to keep you addicted to brands that sell authenticity while studying your psychology this book exposes how modern capitalism has evolved into emotional capitalism You'll discover how corporations influencers and even news outlets weaponize your feelings to control what you buy believe and become But this isn't just another book about manipulation it's your wake up call Through shocking real world examples and piercing analysis you'll see how data psychology and marketing intertwine to build billion dollar empires powered by your reactions And more importantly you'll learn how to reclaim your focus protect your peace and think freely in a world built to hijack your mind If you've ever wondered why you can't stop scrolling why outrage sells or why the truth feels harder to find than ever this book will give you the answers and the antidote

Clickbait E.J. Russell, 2016-12-05 After the disastrous ending of his first serious relationship Gideon Wallace cultivated a protective but fabulously shiny outer shell to shield himself from Heartbreak 2.0 Besides romance is so not a priority for him right now All his web design prospects have inexplicably evaporated and to save his fledgling business he's been compelled to take a hands on hardware project as in his hands on screwdrivers soldering irons and needle nosed pliers God Failure could actually be an option Journeyman electrician Alex Henning is ready to leave Gideon twisting in the wind after their run ins both on and off the construction site Except like a fool he takes pity on the guy and offers to help Never mind that between coping with his dad's dementia and clocking all the overtime he can finagle he has zero room in his life for more complications Apparently an office build out can lay the foundation for a new relationship Who knew But before Alex can trust Gideon with the truth about his fragile family he has to believe that Gideon's capable of caring about more than appearances And Gideon must learn that when it comes to the heart it's content not presentation that matters
