The New York Times Film Reviews, 1984 *The Legal Studies Forum*, 2004 **Streaming Mental Health and Illness** Emily Katseanes, 2023-01-04 From mindfulness in schools to meditation apps, mental health is bursting out of the psychiatrist's chair and into our everyday conversations. As awareness of mental health increases, so does its predominance in popular culture, which makes for a particularly interesting investigation into the representation of these concerns on our most ubiquitous streaming service, Netflix. These eight essays explore how the service's original content jumps into those conversations, creating helpful or harmful messaging about the inner workings of our minds. From toxic masculinity to PTSD, adolescence to motherhood, mental health touches our lives in myriad ways. This interdisciplinary collection explores these intersections, examining how representations of mental health on our screens shape our understanding of it in our lives.

Tractor and Gas Engine Review, 1919 **Contemporary Media Stylistics** Helen Ringrow, Stephen Pihlaja, 2020-04-16 Media discourse is changing at an unprecedented rate. Contributors write on topics that challenge the traditional notions and conceptualisations of media and the consequences of technological affordances for the development of media production and consumption. There is a particular focus on the ways in which contemporary media contexts complicate and challenge traditional media models and offer new and unique ways of approaching discourse in these contexts.
