Memes Today Best Open Now:

Critical Internet Literacies Jamie Cohen, 2024-12-30 An introductory critical internet studies text that builds upon media literacy and digital culture theory to offer a thorough examination of the intersection of online technology and culture We are now collectively at a hinge point in the evolution of the web where online influencers can sway national discourse geopolitical events are remixed through memes and online harms are misunderstood This book argues that people are generally aware that online media has repercussions in off platform spaces but sometimes lack the language to properly critique online trends memes and internet born media How are citizens activists and marginalized groups able to use these tools effectively and safely in these times Jamie Cohen explores aspects of internet culture in an approachable manner building upon critical media literacy and applying a critical technocultural analysis as a methodology to reimagine how media literacy can operate in an online media environment The book explores key topics such as accessibility the creator economy content moderation tech bias platform capitalism internet culture and safety Offering a new way of reading internet media and critiquing content and creators this book is essential reading for students and scholars of digital culture internet culture media literacy social media and beyond

The Selfish Meme Kate Distin, 2005 This book presents for the first time a fully developed and workable concept of cultural DNA
