*Signs and Seasons* Melanie Shubitowski, 2019-12-04 What is the evidence that we are truly living in the last days described in the Bible Even the disciples thought Jesus would return in their lifetime and people for centuries have looked at this event or that event and thought the end days were upon them so how are the world events of today different from those before Is there something going on today that is unprecedented throughout human history In *Signs and Seasons* you ll discover an eye opening and thought provoking journey through the signs evident in our world today What are the signs we should be watching for Are the signs evidence of an event to happen immediately or are they part of a bigger picture Explore the signs from the past that were outlined in the Bible that have been fulfilled and what lies ahead for the human race Discover how scientific and archeological finds actually help support the truth of scripture Uncover what is not being told by the media and how world events relate to prophecy foretold long ago What is the season that was foretold and how do we recognize and prepare for it Are the prophecies told centuries ago something to fear and avoid or is there a real reason for hope in all the chaos and deception of today s world *Signs and Seasons* will alter the way you view the world around us

**He Came to Me** Erin Brooks Warford, 2022-08-01 Erin Warford is a full time wife and mother of four who loves to study the Bible She graduated from Harding University with a bachelor s degree in nursing While working as an oncology nurse for children she prayed to see God as the children did She had no idea of the fantastic journey that was about to begin God would answer her in a far greater manner than she could imagine He began showing up to her in dreams and scriptures and teaching her deep truths of the Bible some that were already fulfilled and others that have yet to come Her passion is seeing the love of God shown to the world through Jesus played out over and over again in many different ways in the Bible and in the creation around us Her prayer is that you will gain a small glimpse of that love through this book as well as gain a little bit of insight into some of the exciting things still to come She hopes that you will always remember that he came to you You could not get to him on your own so he came down He came to us and he will return very soon *The Armageddon Code* Billy Hallowell, 2016 What does the Bible really predict will happen and when But how much of what we read in today s headlines and best selling books is true Why are there so many different viewpoints among Christians and are any of them right

**The Things Which Must Take Place Soon** Paul James, 2021-07-11 This book is an analysis of the prophecies about the Second Coming of the Lord Jesus Christ given in the Holy Bible The author has analyzed them with the context of historical facts and modern day happenings in an attempt to reason that the prophecies are being fulfilled The narrative is not from an academic but an intellectual perspective discussing a very important topic while navigating through various viewpoints put forth by Scholars and Bible Leaders It puts forward a strong case in favour of the Second Coming In the current context of Covid 19 and its variant wreaking havoc in the world and the economic upheavals experienced the book also provides hope in saying that even at the last moment if one calls to the Lord they will be saved He tries to instil trust in

the infinite love of the Lord in the readers despite all the happenings The author attempts to also provide clarification on many related topics which have puzzled the readers and conveys that though the Second Coming is imminent it is yet to come The book does not intimidate the readers with signs seen currently but gently asks them to be clear on the word of God and not to be frightened by baseless speculations put up by even leaders The call is to be prepared *Millennial Ranger* Christopher L. Watkins, 2019-09-30 We are living in the last days as described in the Bible We are constantly surrounded by threats of war There are starving people throughout the world Across the globe Christians are being murdered and tortured for their faith Devastation from natural disasters seems to be becoming more commonplace and less shocking These are the days before the end times During the tribulation Christians will be tested like never before God wants us to be able to survive both physically and spiritually *Millennial Ranger Spiritual Survival while Surviving* examines both end times prophecy and how to survive by implementing an adapted version of the US military's survival plan This is not just a book about how to build fires and find food This is a book about finding yourself in Christ and being able to do the will of God Your mission is to harvest souls for Christ Survival will not matter if you do not accept Jesus into your life and repent of your sins For the wages of sin is death but the gift of God is eternal life in Christ Jesus our Lord Romans 6:23 **Focus On: 100 Most Popular American Rock Songwriters** Wikipedia contributors, **Chase's Calendar of Events 2014** Editors of Chase's Calendar of Events, 2013-10-04 As featured on The Today Show 12 500 entries 196 countries 365 days Find out what's going on any day of the year anywhere across the globe If you're looking to tie a promotional event to a special month create a suggested reading list based on a literary birth anniversary travel to a music festival halfway around the world blog about a historical milestone or do a celebrity birthday round up on your radio show or Twitterfeed Chase's Calendar of Events is the one resource that has it all For broadcasters journalists event planners public relations professionals librarians editors writers or simply the curious this is one reference you can't do without Chase's Calendar of Events 2014 brings you Major sporting events such as the Games of the XXII Winter Olympiad at Sochi Russia Feb 7-23 and the FIFA World Cup in Brazil June 12-19 Milestones such as the 450th birth anniversary of William Shakespeare the 200th anniversary of The Star Spangled Banner the 100th anniversaries of the beginning of World War I and the opening of the Panama Canal the 75th anniversary of the beginning of World War II the 50th anniversaries of the Civil Rights Act of 1964 and Beatlemania and much more New birthday entries for sports stars such as Mo'Nique Mar 23 Ryan Lochte Aug 3 and Gabrielle Douglas Dec 31 actors such as Kerry Washington Jan 31 Lena Dunham May 13 and Mads Mikkelsen Nov 22 musical artists such as Carly Rae Jepsen Nov 21 and Psy Dec 31 and authors such as T.
