Manual of Typography Containing Complete Instructions for Beginners as Well as Practical Directions for Managing All
Departments of a Printing Office With Several Useful Tables Schemes for Imposing Forms in Every Variety Hints to Authors
and Publish Usefulness rather than originality has been aimed at in the preparation of the American Printer which is offered
as an improvement on the typographical work formerly published by us In addition to the results of actual personal
experience embodied in the volume information has been gathered from various publications such as Ames and Dibdin s
Typographical Antiquities Thomas s History of Printing Timperley s Dictionary of Printers and Printing Savage s Dictionary of
Printing Johnson s Typographia Chambers s Encyclop dia Beadnell s Guide to Typography and the other books referred to in
the notes The work has been prepared amid the manifold interruptions incident to business life yet we think nothing has
been overlooked that is essential for the instruction of the learner or for the assistance of the workman About the Publisher
