**Old Enemies** Michael Dobbs, 2011-02-17 In the Swiss Alps a teenage girl is thrown from a helicopter and her boyfriend is brutally abducted to Trieste a city filled with undercurrents of past hatreds Ruari son of Irish media owner J J Breslin is in desperate danger at the mercy of ruthless kidnappers making impossible demands His terrified mother contacts the only person she knows can help her son Harry Jones her former lover who she walked out on many years ago Now memories of their passionate affair the guilt hurt anger and humiliation come flooding back Time is running out for Ruari and Harry torn between his loyalties is quickly drawn into a political game played for high stakes Far higher than he realizes *A Ghost at the Door* Michael Dobbs, 2013-09-12 Tell me about your father Five short razor edged words that rip the world of Harry Jones to pieces He barely knew his father Johnnie and hated what little he did know yet no man is able to escape the shadows of the past Harry has already lost almost everything his seat in parliament his reputation his fortune There is little left apart from his love for the headstrong Jemma and now he must risk losing her and even his own life to uncover the truth about his dead father What starts as a gentle enquiry uncovers a trail of murder and guilt ridden love that dates back to Johnnie s student days Harry s search leads from a burning house in Bermuda to a graveyard in Greece from the croquet lawns of his father s Oxford college to the altar of one of Wren s finest London churches At every turn Harry discovers that the childhood world he thought he knew was false along with almost everyone in it Only when he confronts his own death does he realize that all along he s been used as a pawn in a far larger game *A Sentimental Traitor* Michael Dobbs, 2012-02-16 A missile tears a passenger plane from the skies over London Everyone on board is killed including thirty seven special children As terror turns to international chaos can the government survive Who would have killed them And why When Harry Jones starts searching for answers he stumbles into the middle of a plot that stretches from Russia to the Islamic revolution in Egypt from the shores of the Caspian Sea to an ancient church in rural Wiltshire Yet every lead he pursues finds its way back to the secret corners of Brussels and a British woman named Patricia Vaine She and Harry are doomed to fight their battle to the death Their own lives and the future of an entire continent are at stake in what develops into the greatest political power game since the end of the Second World War For this is a plot not just to take over one country but the whole of Europe And in this deadly game the victors will claim total victory unless Harry Jones can stop them **House of Cards** Michael Dobbs, 2013-02-14 The Number 1 Bestseller that inspired the hit Netflix series starring Kevin Spacey and Robin Wright Politics intrigue and passion in the corridors of power Chief Whip Francis Urquhart has his hand on every secret in politics and is willing to betray them all to become prime minister Mattie Storin is a tenacious young political correspondent She faces the biggest challenge of her life when she stumbles upon a scandalous web of intrigue and financial corruption at the very highest levels She is determined to reveal the truth but she must risk everything to do so This blood and thunder tale lifelike and thoroughly cynical certainly carries the ring of authenticity a great triumph Independent **The Montreal**
