His latest book writing project was nine years in the making and covers over 100 years of lure making history starting in 1875 and covers over 2 500 lures makers throughout all of North America. **THE ENCYCLOPEDIA OF OLD FISHING LURES MADE IN NORTH AMERICA** is the first publication with extensive history and patent information on old lure makers and the first to include extensive coverage on Canadian lure makers. The author traveled to 11 states and 3 Canadian Provinces visiting collectors homes newspaper archives museums and other sources and has taken over 10 000 pictures in preparing the historical stories for these books. The set of books arranges for the individual and company lures makers to appear in alphabetical order. People purchasing these books can buy any one single book a whole set or even a book a month if they desire as the books will be printed and shipped on demand.
