**Amiss** S. C. Hayes, 2009-12 All people have been born with good and bad within themselves Most control both sides and live normal lives Some fall prey to demented ideas that have been planted from years before By definition the meaning of Amiss is mistaken inappropriate reprehensible blameworthy guilty sinful or unholy Amiss is a story of someone that is by definition just as defined As we pass through life we think we know the people around us Usually we can find our way through without many disruptions or surprises Amiss tells a story of a long lost secret that comes close to home A secret that was planted and has grown without anyone seeing it blossom Now grown and full of distorted meaning this seed has grown into an unholy menace Finding and stopping this evil will prove to be an eye opening experience This person and their secret can only be called Amiss
