One quarter of all American produced Holocaust related feature films have won or been nominated for at least one Oscar. In fact from 1945 through 1991 half of all American Holocaust features were nominated. Yet most Holocaust movies have fallen through the cracks and few have been commercially successful. This book explores these trends and many others with a comprehensive guide to hundreds of films and made for television movies. From Anne Frank to Schindler's List to Jojo Rabbit more than 400 films are examined from a range of perspectives historical, chronological, thematic, sociological, geographical and individual. The filmmakers are contextualized including Charlie Chaplin, Sidney Lumet, Steven Spielberg, Quentin Tarantino and Roman Polanski. Recommendations and reviews of the 50 best Holocaust films are included along with an educational guide, a detailed listing of all films covered and a four part index/glossary.
