Oscar Bait Robert Boucaut, 2025-09-22 The Academy Awards or the Oscars have held a unique position in defining and enacting prestige for film industries and their publics In evaluating the best of film they wield cultural influence over such cinema practices as consumption and evaluation filmmaking aesthetics and narratives and the discursive activity of Hollywood s industrial agents and audiences Oscar Bait The Academy Awards Cultural Prestige offers a comprehensive insight into how a film or star positions one s self as a viable competitor worthy of such consecration in new media contexts Based over three years of Oscars seasons 2019 2021 rigorous analysis of film texts awards telecasts and circulating discursive media is built through an original scholarly framework for understanding modern cultural awards Oscar Bait recontextualises the Oscars complex legacy into a new media ecosystem one in which their established value is undercut by declining broadcast viewership the changing values and demands of global film publics and influential discourses aiming to progress popular culture beyond its problematic histories In this new paradigm of film production and consumption Boucaut explores what the Oscars mean in a contemporary filmmaking landscape and what impacts established stereotypes of Oscar worthiness the colloquial Oscar Bait continue to hold over the awards Oscar Bait captures a dynamic snapshot of the Oscars and Hollywood in a critical era It advances popular culture scholarship by developing an analytical framework for understanding disparate media texts within an awards season and it critically updates Oscars knowledges for modern contexts Readers interested in media and cultural studies celebrity studies persona studies popular culture and film will enjoy this book

How to Become Famous Cass R. Sunstein, 2024-05-21 Fame is like lightning Taylor Swift Bob Dylan Leonardo da Vinci Jane Austen Oprah Winfrey all of them were struck Why What if they hadn t been Consider the most famous music group in history What would the world be like if the Beatles never existed This was the question posed by the playful thought provoking 2019 film *Yesterday* in which a young completely unknown singer starts performing Beatles hits to a world that has never heard them Would the Fab Four s songs be as phenomenally popular as they are in our own Beatle infused world The movie asserts that they would but is that true Was the success of the Beatles inevitable due to their amazing matchless talent Maybe It s hard to imagine our world without its stars icons and celebrities They are part of our culture and history seeming permanent and preordained But as Harvard law professor and passionate Beatles fan Cass Sunstein shows in this startling book that is far from the case Focusing on both famous and forgotten or simply overlooked artists and luminaries in music literature business science politics and other fields he explores why some individuals become famous and others don t and offers a new understanding of the roles played by greatness luck and contingency in the achievement of fame Sunstein examines recent research on informational cascades network effects and group polarization to probe the question of how people become famous He explores what ends up in the history books and in the literary canon and how that changes radically over time He delves into the rich and entertaining stories of a diverse cast of famous

characters from John Keats William Blake and Jane Austen to Bob Dylan Ayn Rand and Stan Lee as well as John Paul George and Ringo How to Become Famous takes you on a fun captivating and at times profound journey that will forever change your perspective on the latest celebrity s fifteen minutes of fame and on what vaults some to the top and leaves others in the dust

FINDING REAGAN Kent Strobl,2025-06-29 There are many Ronald Reagan biographies and novels pertaining to the life and administration of the former president However there are very few if any that look at a handful of his positions and policies while relating them to the year 2024 almost four decades since former President Reagan was in office Just like how Reagan himself would do while in office analogies will be made that includes the positions actions and wisdom of other former presidents including Abraham Lincoln George Washington Thomas Jefferson James Madison Dwight D Eisenhower John F Kennedy Franklin Delano Roosevelt Theodore Roosevelt and Calvin Coolidge Not only will the reader explore how Reagan dealt with domestic and foreign affairs including tax reform welfare government spending civil rights dealing with the Soviet Union and Middle East as well as other areas of the world The reader will also see just how similar the world is to the 1980s and how solutions then can be used now along with new ideas that build off of what worked for The Gipper Along the way the reader will see how a private citizen that can be considered as Gen Z found his way into politics after not really being interested in it in the first 25 years of his life demonstrating how if you do not do the research on your own you can fall victim to what the mainstream pundits are sharing

discoveries that continue to shape our world His legacy underpins the search for aliens the rescue of refugees the invention of time machines and the debunking of fake news He appears in new books TV shows and movies all the time and fans are paying millions for Einstein relics at auction Award winning author and journalist Benyamin Cohen has a bizarre side hustle as the manager of Einstein's official social media accounts which have 20 million followers more than most living celebrities In *The Einstein Effect* Cohen embarks on a global quest to unearth Einstein's ongoing relevance today Along the way he meets scientists and celebrities speaks to dozens with the last name Einstein including two rabbis and even tracks down the brain of Einstein stolen from his body during the autopsy Cohen shows us the myriad ways the Nobel Prize winner's influence is still with us giving an in depth and often hilarious look at the world's favorite genius like you've never seen him before Praise for *The Einstein Effect* Benyamin is a regular Joe with great humility a tremendous sense of humor a philosopher with an acute awareness of human connection a gift to us all Mandy Patinkin actor singer activist I hope this book encourages others to be inspired by Einstein as well Christopher Lloyd award winning actor A book for geniuses and the rest of us alike Derek Baxter author of *In Pursuit of Jefferson* A thoroughly entertaining new book Jeff Einstein great great nephew of Albert Einstein Full of humor and surprises Paul Halpern physics professor and author of *Einstein's Dice and Schrödinger's Cat*

The New York Times Index ,2007 The Wall Street Journal ,2008 Chicago Tribune Index ,2007 And the Oscar Goes To... (An Application and Comparison of Models Used to Predict the Winner of the Academy Award for Best Picture). Joshua Slayton,2021 Each year the Academy of Motion Picture Arts and Sciences recognizes exceptional achievements in cinema with its Oscars ceremony Of all the awards handed out at this annual celebration the Academy Award for Best Picture is arguably the most coveted This project involves using historical Oscars data as well as data from other awards shows such as the Golden Globes to develop and compare models for predicting the winners of the Academy Award for Best Picture In particular models using both logistic regression and decision tree classification will be developed Model performance will be evaluated using the leave one out cross validation procedure to compute prediction accuracies and root mean square errors for each model These measures will allow direct comparisons between the models to be made which should lead to some interesting results For example models that incorporate more than just Oscar nominations data perform better unsurprisingly than those that do not Also as will be discussed the decision tree classification models all have higher prediction accuracies than their corresponding logistic regression models The predictions that the best logistic regression and decision tree classification models got most incorrect will be explored Finally the models generated through this project will be applied to make predictions for this year's Best Picture winner to be announced on April 25 2021
