Company X

Dear Hiring team

I am writing to apply for the Machine Learning Engineer position you advertised on LinkedIn, as I feel that my skills would be a great asset to the company. I feel that my dedication to the field of Machine Learning and Artificial Intelligence, along with my problem-solving skills and knowledge of related technologies, will allow me to contribute a lot to your organization.

After reviewing your company's website, I was impressed with the company's dedication to innovative technologies. The company has been selected by IDC as a market leader in the field of Machine Learning and Artificial Intelligence. I feel that I would be able to contribute to the company's ongoing success by developing tools that help the company analyze large data sets in real-time.

I have recently completed my internship at Company A, where I was assigned to the team of Machine Learning and Artificial Intelligence. I worked on the development of tools that were able to predict failures in the mainframe system and the development of various machine learning and natural language processing models that analyzed firmware changes to predict system behavior and output.

I believe that my education and work experience in this field will prove to be a great asset to your organization. My skills and knowledge in this field will allow me to quickly adapt to your organization's needs. I would welcome the opportunity
