I personally want to note the excellent work of Natalia and Marina specialists. I have applied several times with a request to place scripts on my site servipintura.com in certain places and links. Everything was done within 48 hours. A very personalized approach to me as a client. I recommend it to anyone who needs additional tools for their page on the Internet

The prevailing technological trends for openness, sharing and collaboration are prompting participation by the Internet crowd in well established professional areas of work leading to the emergence of community translation or so called translation crowdsourcing. Under the theme of community translation as a social activity and its possible consequences contributors in this volume consolidate the developments to date and cover the latest initiatives while addressing pertinent issues arising from the blurred boundary between professionals and non professionals. Page 4 of cover      Impact of Facebook Usage on Students Academic Performance Fromsa Bedassa, 2014-07-29 Thesis M.A. from the year 2014 in the subject Business economics. Offline Marketing and Online Marketing language English abstract. Today Facebook is considered as one of the most popular platforms for online social networking among youth and as many researches show university students. The purpose of this study is to assess the impact of social networking sites i.e. Facebook on students academic performance. The study was carried out in Wollega University with regular undergraduate students in focus. A questionnaire was designed to assess impact of Facebook usage on Student and was administered to 384 students selected using stratified sampling technique. Variables identified are time spent on Facebook, addiction to Facebook and academic performance. The Pearson product moment correlation coefficient was used to examine the relationship between addiction to Facebook and time spent on Facebook and students academic performance. Furthermore a multiple linear regression was carried out to determine the relative contribution of addiction to Facebook and time spent on Facebook to students academic performance. An analysis of the results was carried out using the SPSS software package. And the findings of this study shows that time spent on Facebook and addiction to it negatively and significantly affects students academic performance      Hotel & Catering Review, 2009      **The Social Commerce Handbook: 20 Secrets for Turning Social Media Into Social Sales** Paul Marsden, Paul Chaney, 2012-10-09 The hands on guide to successful selling with social media sites      Harvard Law Review, 2014      **Social Computing** Subhasish Dasgupta, 2010-01-01 With an increasing accessibility to social networking tools the development of Web 2.0 and the emergence of virtual worlds social computing crosses cultural boundaries to join people in the digital landscape. *Social Computing: Concepts, Methodologies, Tools and Applications* uncovers the growing and expanding phenomenon of human behavior, social constructs and communication in online environments.
