Discover how to eat the foods you want and continue to lose weight and burn fat. The days of following a strict weight loss diet are over and welcome to the world of intermittent fasting. The truth is many weight loss diet plans or regimens aren't long-term solutions. It's no secret that weight loss is difficult but maintaining the pounds shed is what most people struggle with. I have no doubt many of you have heard of South Beach, Weight Watchers, Atkins, and other weight loss diets. What they all have in common is they make you eat stomach-bland foods you have no desire to eat. Again, this is not a long-term solution and you are stuck daydreaming on you can rid yourself of these diets after you've accomplished your health goals. So what's the solution? Well, it's an eating schedule that allows you to eat when it's time to eat and not eat when the window is over. It's that simple. Noticed I said eating schedule knowingly called intermittent fasting and not a diet plan. This allows you to finally eat the foods you want and continue to shed off the excess weight. Learn how with this book. The goal of
