### **Oedipus Rex**

Sophocles,2017-09-03 what man wins more happiness than just its shape and the ruin when that shape collapses Sophocles Oedipus Rex has never been surpassed for the raw and terrible power with which its hero struggles to answer the eternal question Who am I The play a story of a king who acting entirely in ignorance kills his father and marries his mother unfolds with shattering power we are helplessly carried along with Oedipus towards the final horrific truth To make Oedipus more accessible for the modern reader our Prestwick House Literary Touchstone Classics includes a glossary of the more difficult words as well as convenient sidebar notes to enlighten the reader on aspects that may be confusing or overlooked We hope that the reader may through this edition more fully enjoy the beauty of the verse the wisdom of the insights and the impact of the drama About Sophocles Sophocles born c 496 bc Colonus near Athens Greece died 406 Athens was an ancient Greek

tragedy playwright Not many things are known about his life other than that he was wealthy well educated and wrote about one hundred and twenty three plays of which few are extant One of his best known plays is Oedipus the King Oedipus Rex What can I say about Sophocles Oedipus Rex that has not already been said Apart from the patricide and the infamous incest this is an ancient tale of angst and overall calamity But since I recently revisited it this legendary tragedy hasn't left my mind Look and learn all citizens of Thebes This is Oedipus He who read the famous riddle and we hailed chief of men All envied his power glory and good fortune Now upon his head the sea of disaster crashes down I felt after reading the play that there was not really anything that Oedipus could have done to get himself out of his destiny In fact it seems that the more he attempts to get out of it the deeper he is immersed in its inevitability It is simply that there was no way for him to avoid doing it all and facing his fate After hearing of the prophecy he flees because he doesn't want it to come true but there is a lot that he does not know and a lot that he is not being told His parents when told by the oracles decided to sacrifice him But he was saved by the compassionate nature of humanity Later on his step parents also leave him in ignorance and in hiding the truth they are also making the prophecy come true *World Authors, 2000-2005* Jennifer Curry,2007 Representing a broad range of ethnic diversity these in depth profiles present fascinating accounts of lives and careers the circumstances under which works were produced and their literary significance Each profile also includes critical evaluation a list of the author's principal works with date first published a list of major critical works and a portrait or photograph where available
