Offering Stories Quotes And Illustrations Volume 2:

Offering Stories, Quotes, and Illustrations Robert Polaco, 2012-02 Offering Stories Quotes and Illustrations Volume 2 is the anticipated sequel in Robert Polaco's compilation series and includes 375 new entries organized with descriptive titles. This is a must-have companion for any pastor or church administrator filled with illustrations that inspire people to liberality. These illustrations often include supporting scriptural references and each entry includes a line where one can choose to write in where or when it was used. In the author's own words: The contents in this book are an attempt to assist those in the ministry by providing a useful tool for offering time bound in a single book. I hope the Lord would use this book to inspire you and help you help others fulfill their responsibility as believers in supporting and supplying the storehouse of God as well as enjoying the blessing of God and joy of giving.

Narrative Illustration in Persian Lithographed Books Ulrich Marzolph, 2020-10-12 This study surveys a distinctive type of the Islamic book which has been largely neglected in previous scholarship: the genre of illustrated lithographed books produced in nineteenth and early twentieth century Iran. In addition to introducing the history of printing in Iran and surveying the investigated sources, the study supplies basic data on genres of illustrated books, artists active in lithographic illustration, and aspects germane to this particular field of art. The documentation includes bibliographical references for 116 illustrated books in a total of 351 particular editions and 150 plates with several hundred single illustrations. Lithographic illustration in Iran constitutes the legitimate successor to manuscript illustration both in content and style. Contrasting with the latter's refinement, lithographed illustrations were produced in large numbers and served as a powerful medium of popular iconography. *"The" Athenaeum*, 1896 *The English Catalogue of Books*, 1885
