**Hunt for the Shadow Wolf** Derek Gow, 2024-03-07 Longlisted for the James Cropper Wainwright Prize 2024 for Nature Writing Terrific life lit moments come howling out of Hunt for the Shadow Wolf The Telegraph One of the most remarkable figures in British conservation The Observer There have been several books on the fate of British wolves but this is the best The Spectator Derek Gow is a wry profane truth teller who is equal parts yeoman farmer historical ecologist and pirate Ben Goldfarb author of Eager and Crossings Renownedrewilder Derek Gow has a dream that one day we will see the return of the wolf to Britain as it has already returned elsewhere As Derek worked to reintroduce the beaver he began to hear stories of the wolf both real and mythical and his fascination with this creature grew With increasing curiosity Derek started to piece together fragments of information stories and artefacts to reveal a shadowy creature that first walked proud through these lands and then was hunted to extinction as coexistence turned to fear hatred and domination What Derek came to realize was that the underlying motives behind our hatred were actually far more prosaic and like most persecutions to do with power and profit We turned the wolf into a savage beast and saw its extirpation as a civilizing mission But the wolf survived far longer than many thought and Derek tells of his sightings of the wolf through folklore and mythology the records of grand estates and parish churches as well as wolf heads both real and recreated With bitingly funny but also tender stories Hunt for the Shadow Wolf is Derek s quest to uncover the true nature of this creature because as we seek to heal our landscape we must reconcile our relationship with it Before we can even begin to bring the wolf back we need to understand it I have loved this chase dearly and though what unfolds might be an ending of sorts I have no intention to let this hunt cease Derek Gow from Hunt for the Shadow Wolf Beautifully crafted fascinating and unbearably poignant I totally loved this book Isabella Tree author of Wilding Gow reinvents what it means to be a guardian of the countryside The Guardian *The Rivers of Great Britain, Descriptive, Historical, Pictorial: Rivers of the East Coast* Various, 2022-06-03 *Hunt for the Shadow Wolf [US Edition]* Derek Gow, 2024-03-07 Longlisted for the James Cropper Wainwright Prize 2024 for Nature Writing Terrific life lit moments come howling out of Hunt for the Shadow Wolf The Telegraph One of the most remarkable figures in British conservation The Observer There have been several books on the fate of British wolves but this is the best The Spectator Derek Gow is a wry profane truth teller who is equal parts yeoman farmer historical ecologist and pirate Ben Goldfarb author of Eager and Crossings Renownedrewilder Derek Gow has a dream that one day we will see the return of the wolf to Britain as it has already returned elsewhere As Derek worked to reintroduce the beaver he began to hear stories of the wolf both real and mythical and his fascination with this creature grew With increasing curiosity Derek started to piece together fragments of information stories and artefacts to reveal a shadowy creature that first walked proud through these lands and then was hunted to extinction as coexistence turned to fear hatred and domination What Derek came to realize was that the underlying motives behind our hatred were actually far more prosaic and like most persecutions to do with power and profit

We turned the wolf into a savage beast and saw its extirpation as a civilizing mission But the wolf survived far longer than many thought and Derek tells of his sightings of the wolf through folklore and mythology the records of grand estates and parish churches as well as wolf heads both real and recreated With bitingly funny but also tender stories Hunt for the Shadow Wolf is Derek's quest to uncover the true nature of this creature because as we seek to heal our landscape we must reconcile our relationship with it Before we can even begin to bring the wolf back we need to understand it I have loved this chase dearly and though what unfolds might be an ending of sorts I have no intention to let this hunt cease Derek Gow from Hunt for the Shadow Wolf Beautifully crafted fascinating and unbearably poignant I totally loved this book Isabella Tree author of Wilding Gow reinvents what it means to be a guardian of the countryside The Guardian
