• **VERSE 2** There could be a gap in time between the first verse and the rest of the chapter.

"But the earth became wasteful and desolate" is another reading of the second verse.

• **VERSE 3** Light is needed for life.

• **VERSES 4-8** The blanket of moisture that surrounded the earth protected men from cosmic radiation and cell damage so that lifespans were much longer.

• **VERSES 11-12** God created plant life that can reproduce itself.

• **VERSES 24-25** God created the families of living things, the species.

• **VERSES 26-28** Man is created in the image of God. The order to "replenish the earth" could indicate a preexistence upon the earth.

CHAPTER 2: DETAILS OF CREATION

• **VERSE 2** "Bested" indicates that God was finished, not tired.

• **VERSE 13** The Ethiopia referred to is not the area we know as Ethiopia today.

• **VERSE 21** "Rib" actually means curved section in the Hebrew. God may have made an incision in Adam and used his blood or a clone cell to create Eve.

• **VERSES 21-24** The woman was created to complete the man. The marriage relationship should be a building up and complementing of one another.

CHAPTER 3: THE FALL

• **VERSE 1** The word "serpent" here is not the Hebrew word commonly used for snake. It could be translated dragon, especially since snakes are reptiles, not "beasts of the field."

• **VERSE 3** Satan implies that God is not fair in withholding the knowledge of good and evil.

• **VERSE 6** Eve was deceived by the serpent, but Adam willfully transgressed when he ate the fruit. She was led into sin by the lust of the flesh, the lust of the eyes, and the pride of life.

• **VERSE 9** "Where art thou?" is the cry of a heartbroken Father. God knew that Adam and Eve were the victims of their choices and that they were now in bondage to death and darkness.

• **VERSES 12-13** Adam and Eve tried to shift the blame for their sin onto others.

• **VERSE 15** The first promise of the Messiah, Jesus, the seed of the woman (Mary), destroyed the "head" or authority and power of Satan by His redemptive death on the cross. The cross is the second tree established by God whereby men might leave the government of death and darkness and go back into the government of life and light.

T. Steele, A T Steele M DIV M a, 2009-06 Do you have a desire to know the on the ground facts concerning the validity of the New Testament Have you ever wanted to know what the original languages were and what they said and to stop relying upon one published translation after another without studying the languages Want a different kind of New Testament commentary that is not boring and will excite you to understand how and why the New Testament came to be Need Solid proof of the validity of the New Testament and the statements of the Messiah Desire a ground breaking work that will unite the pages of history with the pages of the Bible The Exegetical Study Guide Series by A T Steele will provide the reader with understandable yet technical access to the original language without having ever taken one course to do so Far from being a surface level study this book will draw the reader into the richness and depth of the New Covenant concept rife with life applications Prepare to understand the original New Testament content as it was intended to be understood by its original authors It is a beginner s guide to deeper New Testament study as well as a long awaited work for the bible student and can be utilized in personal and group studies collegiate pursuits and as a reference for research Steele s methods of explaining the original Greek of the New Testament and demonstrating how it is translated is a careful crafted and designed for the average reader and is positively unlike anything else found on the subject The reader will assuredly walk away from the book with a new outlook on how the New Testament came to be and how history was awakened in the first century This book should be in the hands of any serious student of biblical exegesis and every serious Christian who is on the path of real discipleship **Biblical Eschatology:** Dr. Justin G. Prock, 2021-06-20 In recent history men from a variety of backgrounds have come to the same conclusion that the Bible is about Israel only For example In 1861 John Mason Neale translated an ancient twelfth century Latin hymn and its title was O Come O Come Emmanuel Ever since 1861 Christians have sung that hymn at Christmas time especially at Advent Do you know what the words really mean that you are singing In 1878 Edward Hine wrote an article titled Seven Eighths of the Bible Misunderstood wherein he explains that seven eighths of the Bible is about national salvation i e the national salvation of True Israel whereas only one eighth of the Bible is about personal salvation Did you know that In the 1960 s Pastor Sheldon Emry wrote an article title An Open Letter to Any Minister Who Teaches the Jews Are Israel wherein he is of the opinion that the Israel that exists today since 1948 is not the True Israel of the Bible In 1998 Arnold E Kennedy wrote a book titled The Exclusiveness of Israel wherein he legally proves using the King

James Version of the Bible that the Bible in general is only about True Israel So here we are in the Twenty First Century and the Gospel that is preached today is totally convoluted from that which was preached in the First Century A D by Yahshuah and His disciples i e the Gospel of the Kingdom So where did the so called churches and pastors go wrong By the way is there really a hierarchy in the Bible In order to find out what the truth really is we have to look at the original languages in which the Bible was written and then translated For example the Old Testament was written in Hebrew and Aramaic then translated into Greek The New Testament was written in Hebrew and Greek Both Testaments were put together and translated into Latin then German and finally into English from which the entire world received their own translation of the Bible So what was the original meaning of the words used in the original languages i e the etymology of the words Once that is determined then we can go onto the next phase and discuss types in the Bible From there what is the Law of First Mention How should Bible prophecy be Interpreted Who are the keys to Bible prophecy Where are we in the Bible prophecy timeline During these discussions we will find out who Yahweh chose of all the families of the earth to make His own The churches teach universalism The question then becomes Who was Yahweh s Law given to What are the Laws of Yahweh And then the even bigger question becomes Who was Yahshuah sent to All of these questions and more will be answered as you read this book
