*Reading Sight Words in Context, Grades 1 - 2* Flora, 2010-05-18 Instill a love of language in English Language Learners in grades 1-2 using *Reading Sight Words in Context*. This 160 page book uses engaging poems and short stories to help students recognize certain critical words instantly and become successful readers. This resource includes reproducible activities, games, and follow-up ideas that focus on common sight words that form the building blocks on which sentences are created. The book supports NCTE standards.

**Practitioner's Guide to Curriculum-Based Evaluation in Reading** Jason E. Harlacher, Tami L. Sakelaris, Nicole M. Kattelman, 2013-12-11 The educators are dedicated and concerned. The curriculum is successful. Yet some students aren't reading at grade level and meetings air problems without making progress. Many students continue to flounder leading to more meetings with the same lack of meaningful results. The Practitioner's Guide to Curriculum-Based Evaluation in Reading gives researchers and professionals the means to break this frustrating cycle crafted by authors who have not only been there and done that but can explain in depth how to replicate the method. Focusing on reading but applicable across subject areas this highly accessible guide defines curriculum-based evaluation. CBE provides conceptual background and analyzes its component steps. Assessment and intervention are given equal attention within a problem-solving model featuring tools for skill assessment, progress monitoring, goal setting, and other bedrock tasks. Chapters build to lead readers beyond classroom strategies to guidelines for problem solving and decision making to effectively address individual student needs. Included in the coverage: The curriculum-based evaluation process, Relating CBE to the Multi-Tier System of Support model, Using CBE in daily practice both in classwork and schoolwide, Decoding, early literacy, and reading comprehension, Progress monitoring and decision making, Plus FAQs, handouts, and other supplemental materials. This level of educational insight and pedagogical detail make the Practitioner's Guide to Curriculum-Based Evaluation in Reading a clarion call for researchers, graduate students, and professionals in school and clinical child psychology, assessment, testing, and evaluation, applied linguistics, language education, special education, and allied education, educational psychology, and social work.

**Resources in Education**, 1976 Struggling Readers Ernest Balajthy, Sally Lipa-Wade, 2003-04-04 This practical book focuses on three distinct types of struggling readers that teachers will instantly recognize from their own classrooms: the Catch-On Reader, the Catch-Up Reader, and the Stalled Reader. Detailed case studies bring to life the specific problems these students are likely to face and illustrate research-based instructional strategies that can help get learning back on track. The book also illuminates the causes and consequences of literacy difficulties, giving K-6 teachers a better understanding of how to meet the needs of each child. A comprehensive appendix provides dozens of informal assessment devices ready to photocopy and use. Other user-friendly features include annotated bibliographies of key research, descriptions of commercial materials and curricula designed for each type of learner, and information on technology resources. Photocopy Rights: The Publisher grants individual book purchasers nonassignable permission to reproduce selected
