**50 Great Ideas: Twitter for Business** Ben Cook, Jodie Cook, 2019-06-30

The 50 Great Ideas series brings you the best tried and tested ideas and tactics for the major social media platforms. Twitter is a brilliant platform for a range of businesses yet very few marketers utilise all of its potential. The fact that Twitter is a public forum and that businesses can go out there and find their target audience gives it a unique edge as a marketing tool. This book focuses on generating tangible results through a wide range of tactics including content ideas and advanced search and interaction techniques. Don't overlook Twitter as a fad or something that's too complicated and fast paced to use. This book will show you how valuable it really is. Pinpointing users who are not only in your business's target audience but are actually signalling they are in the market to buy is just one of the great tactics explored. Understanding the use of hashtags, retweeting and likes and how they can benefit your business are other popular areas discussed.

**Proceedings of the International Conference for Democracy and National Resilience (ICDNR 2023)**

Waluyo, Waluyo, Dona Budi Kharisma, Hsu Myat Noe Htet, Sunny Ummul Firdaus, 2023-12-05

This is an open access book. Center for Democracy Studies and National Resilience Universitas Sebelas Maret warmly welcomes you to The 3rd International Conference for Democracy and National Resilience ICDNR 2023. This conference was held on September 23rd 24th 2023. We encourage participants from all over the world to discuss about Election Integrity A Framework for Guaranteeing The Democracy Rights and Fairness In The Modern Era. Notable Keynote and Invited Speakers will share their speeches. Participants will present their papers and we will provide a platform to support new opportunities and future collaboration. Your participation and contribution at ICDNR 2023 will be greatly appreciated. The problems in Southeast Asia that dominate them are related to electoral laws, electoral procedures, district boundaries, voter registration, party candidate registration, media political finance, the voting process, vote count results and electoral authorities. In addition, the current development of globalization and modernization certainly influences the implementation of elections in a country. As is known, the implementation of technology in this election is a breakthrough that has been implemented in various countries. Based on research and data collection published by International IDEA, trends in the use of technology by the KPU occur in several countries. Of the 106 countries using election technology recorded by International IDEA, 60% of the KPU is for tabulation use, 55% for voter registration, 35% for voter registration biometrics, fingerprints, retinas, etc., 25% for biometrics in voter verification, 20% for e-voting. With the development of the implementation of elections globally, this is certainly an important matter to be discussed and discussed together. This background will be discussed by all participants in this international
