Middle Income Access to Justice M. J. Trebilcock,Lorne Sossin,A. J. Duggan,2012-01-01 Featuring contributions by leading Canadian and international scholars practitioners and members of the judiciary this multidisciplinary collection draws on scholarship in the fields of law social science and public policy There is a particular emphasis on family law consumer law and employment law as these are the areas where research has indicated that unmet legal needs are highest

Middle Income Access to Justice M. Trebilcock,Anthony Duggan,Lorne Sossin,2012-05-03 Though most conceptions of the rule of law assume equality before the law and hence equal access to the justice system this basic right is not being met for many low and middle income Canadians This book focuses on the problem of civil access to justice for middle income earners those whose household income is high enough to disqualify them from legal aid but not high enough to cover the costs of litigation Featuring contributions by leading Canadian and international scholars practitioners and members of the judiciary this multidisciplinary collection draws on scholarship in the fields of law social science and public policy There is a particular emphasis on family law consumer law and employment law as these are the areas where research has indicated that unmet legal needs are highest Middle Income Access to Justice presents a variety of innovative solutions from dispute resolution process reforms to the development of non lawyer forms of assistance and new methods for funding legal expenses In doing so it lays the foundation for the development of a much needed new delivery model to provide early intervention for legal services

Middle Income Access to Justice Michael J. Trebilcock,Lorne Mitchell Sossin,Anthony J. The Role of Lawyers in Access to Justice Helena Whalen-Bridge,2022-10-06 To a disturbing degree we are at the mercy of our time and place While law may provide relief for some of life's troubles that requires access to justice Accessibility is the focus of this volume which expands analysis of access to justice beyond the US and the UK to Asia and other comparative jurisdictions Chapters characterise access to justice dynamics in these jurisdictions by addressing how access is understood how it is achieved or not achieved and how the jurisdiction should improve The book addresses some issues seldom addressed in analyses of western jurisdictions such as paid mandatory legal services and mandatory public interest activities and provides English translations of relevant regulations The book expands our understanding of access to justice with a comparative perspective one that allows readers to identify relationships between access and its constitutive environment

The Journal of Law in Society ,2005 **The Justice Crisis** Trevor C.W. Farrow,Lesley A. Jacobs,2020-09-01 Unfulfilled legal needs are at a tipping point in many parts of the Canadian justice system and around the world The Justice Crisis assesses what is and isn't working in an effort to improve a fundamental right of democratic citizenship access to civil and family justice Meaningful access is often a question of providing pathways to resolving everyday legal issues The availability of justice services that

aren't only tied to the courts and lawyers such as public education on the law alternative dispute settlement and paralegal support is therefore an important concern Contributors to this wide ranging overview of new empirical research address several key justice issues the extent and cost of unmet legal needs the role of public funding connections between legal and social exclusion among vulnerable populations the value of new legal pathways the provision of justice services beyond the courts and lawyers and the need for a culture change within the justice system Their findings can inform initiatives to improve access to justice within the Canadian system and beyond Annual Reports Oregon State Bar,1995 Access to Civil Justice Allan C. The outsourcing of legal services Singh Dharamveer,2015-10-27 Economic globalization is transforming practically every service sector The legal industry that has long remained insulated too has not remained untouched by the effects of globalization The outsourcing of legal services in the past one decade has transformed the legal landscape Legal outsourcing to India is becoming increasingly popular among U S and European law firms and corporations This book broadly seeks to discuss three main topics surrounding legal process outsourcing LPO its emerging trends the legal challenges it raises and the hitherto unrecognized potential it holds Firstly this book clarifies concepts of LPO and its operating models practiced by U S and U K law firms and corporations Secondly the outsourcing of legal services creates significant challenges for ethics rules including conflict of interests attorney client privilege supervision and fee sharing Thirdly this research explores the hidden potential of LPO to improve access to justice This book develops an altogether new proposal where Indian LPO professionals could help alleviate the access to justice problem among indigent and low income populations of the United States **The Northern Ireland Legal Quarterly ,2002** *The Emerald Handbook of Crime, Justice and Sustainable Development* Jarrett Blaustein,Kate Fitz-Gibbon,Nathan W. Pino,Rob White,2020-11-18 This volume brings together a diverse collection of essays that critically examine issues relating to crime and justice in the United Nations 2030 Agenda for Sustainable Development Chapters examine the issues that practitioners face in working to advance this agenda and the possibilities that exist to advance sustainable development outcomes **Debates of the National Assembly (Hansard)** South Africa.
