Netflix Today:

Information Systems Today Leonard M. Jessup, Joseph S. Valacich, 2008 For the undergraduate graduate introductory information systems course required of all business students *Information Systems Today* 3e speaks directly to WHY IS MATTERS today by focusing on what every business student needs to know about IS including its leading role in the globalization of business **Netflix's Speculative Fictions** Colin Jon Mark Crawford, 2020-12-10 Netflix's Speculative Fictions Financializing Platform Television argues that Netflix's scaled expansion has hinged upon its ability not only to create but more importantly to communicate new forms and flows of potential value in platform capitalism wherein capital is mobilized not only from direct revenue streams but also the new value assigned to inputs and investments of data debt attention behavior taste time sociality and speculation To interpret and critique these new communications and projections of value Colin Jon Mark Crawford performs a discursive analysis of the platform television industry leader Netflix and its investor lore the multi sited narrative of value found in the company's investor relations materials and corporate communications such as letters to shareholders financial earnings reports executive interviews press releases and blog posts Netflix best represents the increasingly ubiquitous nexus of culture tech and finance industries that is platform television To better understand the emergent financial logics of this relatively new media industry we must first understand the speculative narratives and discourses of value which organize it Scholars of media studies television studies technology studies and economics will find this book particularly useful

Likeable Business: Why Today's Consumers Demand More and How Leaders Can Deliver Dave Kerpen, Theresa Braun, Valerie Pritchard, 2012-11-02 Dave Kerpen's follow up to his bestselling *Likeable Social Media* gives business owners and marketers time tested strategies for growing revenue *Likeable Business* lays out the eleven strategies companies can use to leverage likeability to increase profits and spur growth Kerpen explains how to ensure that every aspect of a business communicates transparency accountability responsiveness and authenticity which customers find more likeable than traditional marketing campaigns Dave Kerpen is cofounder and CEO of the marketing firm Likeable Media included in the INC 500 fastest growing private companies in the United States for both 2011 and 2012 He is the author of the New York Times bestselling book *Likeable Social Media* and is a frequent keynote speaker **Economics Today** Miller, Roger LeRoy, 2005 *Investing in Movies* Joseph N. Cohen, 2017-05-12 *Investing in Movies* Strategies for Investors and Producers is a useful guide for investors and producers looking for an analytical framework to assess the opportunities and pitfalls of film investments The book traces macroeconomic trends and the globalization of the business as well as the impact these have on potential returns It offers a broad range of guidelines on how to source interesting projects and advice on what kinds of projects to avoid as well as numerous ways to maximize risk adjusted returns While focusing primarily on investments in independent films industry veteran and author Joseph Cohen also provides valuable insights into the studio and independent slate deals that have been marketed to the institutional

investment community Features of this book include A guide to the minefield of film investing for the potential investor giving students and aspiring professionals an insider perspective A detailed explanation of the risk and rewards inherent in the film business and how to evaluate projects Thorough coverage of the cast of characters that populate the film space and advice on building relationships to optimize opportunities **Reboot** Issac John,2022-11-05 It's hard for me to say this knowing the great feedback most of my peers had for you but at this stage for our business in India we just require someone who has some more entertainment marketing experience than you do Hence we wouldn't be taking your candidature forward for this position When Issac quit his dream job of Head of Marketing at PUMA in 2015 and took a career break to study screenwriting in New York little did he know what he had signed up for Over the next eighteen months he would face over a hundred rejections from famed brands headhunters publishers talent agencies and producers After being rejected in the final interview rounds of brands like Uber Netflix and Airbnb he slowly and steadily clawed his way back into a mainstream career Issac went on to lead a team of over a hundred people at Discovery having built their direct to consumer OTT business in Asia Pacific discovery and has authored two books all in a span of five years since that career break Over the past two years Issac spoke to more than fifty working professionals all of whom went through a break in their career for various reasons Reboot is an intimate honest and rich compendium of all those experiences mistakes lows and highs that people confronted with a career break go through It shares the message that no matter the odds you are up against a career break is always temporary and in many cases it can even prove to be life changing **Business 2.0** ,2006 **Business Week** ,2007

The Membership Economy (PB) Robbie Kellman Baxter, 2015-03-20 The membership business models of Netflix Weight Watchers and other industry giants revealed and how you can use them to lead your company to the top of the food chain For decades consumers and businesses have joined clubs bought products and accessed services using a subscription model But it has only been in recent years that the model has been transformed and perfected through massive changes in technology The Membership Economy shows how nimble companies that focus on ongoing formal relationships over one time transactions are thriving By renting lending or offering access instead of just ownership organizations can leapfrog industry leaders In terms of strategic business models this is one that allows for breakthrough growth With great case studies from American Express LinkedIn CrossFit SurveyMonkey and more this book will show you how to radically rethink how your organization can build loyalty viral growth and recurring revenue **The Zero Transaction Cost Entrepreneur:**

Powerful Techniques to Reduce Friction and Scale Your Business Dermot Berkery, 2023-08-08 Harness the power of zero transaction costs to ensure long term success in every new business proposition For many business professionals the daily to do list is hard enough to stay on top of let alone coming up with the big ideas necessary to take their company or a whole economy to the next level But if coming up with those ideas or finding start ups that do is your job then The Zero Transaction Cost Entrepreneur is an absolute must read for you With more than 20 years of experience and an extraordinary record of success stories to his credit venture capitalist Dermot Berkery has seen thousands of business plans and in these pages he shares the key ingredient these successes stories have in common Smart transaction cost economics Simply put these businesses lower or eliminate transaction costs for their customers Here s just one of the real world examples you ll

find within Blockbuster Video scored big by making movies easily available to rent that is a reduction in a transactional cost. Netflix then removed another transaction cost a trip to the store sending DVDs through the mail. They tackled other transaction costs limited choice and wasted time by moving to streaming. Finding and loosening these transaction cost creates extraordinary opportunities in every field and industry for entrepreneurs and venture capitalists to corporate strategists and R&D heads. In these pages you'll discover how transaction cost economics can work for you in chapters that include Why Do Other People Come Up with All the Brilliant Ideas, The 8 Major Categories of Transaction Costs, Makers of Products Need to Transform them into Services, Why Are Transaction Costs Falling Rapidly Right Now, The Trifecta of Accelerators, Idle Assets, the IoT and Marginal Cost Pricing.
