NLP Coaching Susie Linder-Pelz,2010-02-03 NLP Neuro Linguistic Programming is believed by many to be a powerful set of tools for facilitating change and enhancing performance Yet despite the success stories and proliferation of courses there is still much skepticism about the validity and effectiveness of NLP In NLP Coaching Susie Linder Pelz brings for the first time an evidence based perspective to this coaching methodology She explains how and where NLP coaching is used

examines its links to established principles and practices and questions aspects of NLP where the empirical evidence is missing. She reviews recent developments in NLP based coaching practice and proposes a specific research agenda that will move NLP coaching towards an evidence based approach. NLP Coaching provides numerous case studies and real life examples which show how NLP assists personal, professional, team leadership and organizational development. The book includes contributions from leaders in the field Andrew Bryant, Michelle Duval, Joseph O Connor, Paul Tosey and Lisa Wake.

Consult Yourself Carol Harris, 2005-07-21. What is the most important attribute a freelance consultant must have? Is it communications skills, a package of up to the minute techniques, or the ability to project manage effectively? All of these things are necessary. But I encourage you to read this book through a different lens. The most important attribute in my world is the ability to market oneself, products, pricing, promotion and routes to market. This book will support you on that journey. Martin Shervington author
