## **Midlife Mavericks Women Reinventing Their Lives In Mexico:**

**Midlife Mavericks** Karen Blue,2000-09 Stories of unmarried American and Canadian women building better lives for themselves in Mexico s beautiful colonial villages Cover **Gringos in Paradise** Barry Golson,2006-11-14 A Year in Provence meets Mr Blandings Builds His Dream House in this lively and entertaining account of a couple s year building their dream house in Mexico In 2004 Barry Golson wrote an award winning article for AARP magazine about Mexican hot spots for retirees longing for a lifestyle they couldn t afford in the United States A year later he and his wife Thia were taking part in the growing trend of retiring abroad They sold their Manhattan apartment packed up their SUV and moved to one of those idyllic hot spots the surfing and fishing village of Sayulita on Mexico s Pacific coast With humor and charm Golson details the year he and his wife spent settling into their new life and planning and building their dream home Sayulita population 1 500 not including stray dogs or pelicans is a never dull mixture of traditional Mexican customs and new gringo influenced change Before long the Golsons had been absorbed into the rhythms and routines of village life they adopted a pair of iguanas named Iggy Pop and Iggy Mom got sick and got cured by a doctor who charged them sixteen dollars a visit made lasting friends with Mexicans and fellow expatriates and discovered the skill and artistry of local craftsmen But their daily lives were mostly dedicated to the difficult yet satisfying process of building their house It took them almost six months to begin building nothing is simple or speedy in Mexico and incredibly they completed construction in another six They engaged a Mexican architect builder and landscape designer who not only built their home but also changed their lives encountered uproariously odd bureaucracy and ultimately experienced a lifetime s worth of education about the challenges and advantages of living in Mexico The Golsons lived and are still living the dream of many not only of going off to a tropical paradise but also of building something beautiful becoming a part of a new world making lasting friends and transforming their lives As much about family and friendship as about house building *Gringos in Paradise* is an immensely readable and illuminating book about finding a personal paradise and making it a home Life Lessons for Women Jack Canfield,Mark Victor Hansen,2013-04-09 The advice in *Life Lessons* is aimed specifically at women and their everyday concerns such as finding time making ends meet and balancing priorities Contested Spatialities, Lifestyle Migration and Residential Tourism Michael Janoschka,Heiko Haas,2013-08-22 *Lifestyle Migration and Residential Tourism* represent a major trend in individualized societies worldwide which is attracting a rapidly growing interest from the academic community This volume for the first time critically analyses the spatial social and political consequences of such leisure oriented mobilities and migrations The book approaches the topic from a multidisciplinary and international perspective unifying different branches of research such as lifestyle migration amenity migration retirement migration and second home tourism By covering a variety of regions and landscapes such as mountain and coastal areas rural and inland communities this volume productively engages with the formal and analytical variations of the phenomenon resulting in an enriching debate at the intersection of

different areas of research Amongst others topics like political contest and civic participation of lifestyle migrants their impacts on local communities social tensions and inequalities induced by the phenomenon as well as modes of transnational living home and belonging will be thoroughly explored This thought provoking volume will provide deep analytical and conceptual insights into the contested geographies of lifestyle migration and further knowledge into the spatial social and political consequences of leisure oriented mobilities It will be valuable reading for students researchers and academics from a plethora of academic disciplines

**Head for Mexico** Don Adams,2003 The only comprehensive source of information on how to retire in Mexico on a budget this guide is filled with priceless tips and endless humor

The Other Side of the Fence Sheila L. Croucher,2009-10-15 A growing number of Americans many of them retirees are migrating to Mexico s beach resorts border towns and picturesque heartland While considerable attention has been paid to Mexicans who immigrate to the U S the reverse scenario receives little scrutiny Shifting the traditional lens of North American migration The Other Side of the Fence takes a fascinating look at a demographic trend that presents significant implications for the United States and Mexico The first in depth account of this trend Sheila Croucher s study describes the cultural economic and political lives of these migrants of privilege Focusing primarily on two towns San Miguel de Allende in the mountains and Ajijic along the shores of Lake Chapala Croucher depicts the surprising similarities between immigrant populations on both sides of the border Few Americans living in Mexico are fluent in the language of their new land and most continue to practice the culture and celebrate the national holidays of their homeland maintaining close political economic and social ties to the United States while making political demands on Mexico where they reside Accessible timely and brimming with eye opening often ironic findings The Other Side of the Fence brings an important perspective to borderlands debates
