Becoming a Digital Parent Carrie Rogers Whitehead, 2020-12-29 *Becoming a Digital Parent* is a practical readable guide that will help all parents have confidence to successfully navigate technology with their children. It accessibly presents evidence based guidance to offer an overview of the digital landscape empowering parents to embrace opportunities whilst keeping children responsible and safe online. Covering a range of topics including developmental stages, screen time, bed time, gaming, digital identities and helpful parenting apps and resources. Carrie Rogers Whitehead explores the challenges and opportunities involved in parenting in the digital age. With advice for parents of babies through to teenagers, each chapter includes an explanation of the latest research, interviews with parents and experts and helpful case studies gathered by the author during her extensive experience of working directly with parents and children. This book will show parents how to communicate better with their children, create a family technology plan, put in place intervention strategies when things happen and take advantage of the benefits technology can afford us. *Becoming a Digital Parent* is ideal for all parents looking to effectively navigate the technological world and the range of professionals who work with them. **I Will Die On This**

Hill Meghan Ashburn, Jules Edwards, 2023-01-19 There is a significant divide between autistic advocates and parents of autistic children. Parents may feel attacked for their lack of understanding and autistic adults who offer insight and guidance are also met with hostility and rejection. Meghan Ashburn, a mother of two autistic boys, and Jules Edwards, an autistic parent, were no strangers to this tension and had an adversarial relationship when they first met. Over time, the two resolved their differences and are now co-conspirators in the pursuit of disability justice. This book unites both perspectives, exploring the rift between these communities and encouraging them to work towards a common goal. It provides context to dividing issues and the authors use their experience to illustrate where they've messed up, where they've got things right, and what they've learned along the way.

Rise of the Involved Dad Conrad Riker, Are you tired of the same old father figures dominating literature and culture? In *Rise of the Involved Dad*, author Conrad Riker challenges the prevailing father archetypes and explores the evolution of modern fatherhood. From the supportive patriarch to the cruel tyrant, Riker delves into the various representations of father figures, examining their role in our psychological development and cultural shifts. You might be wondering, How have societal expectations shaped the image of fatherhood, and what role do mothers play in this? Can we debunk the influence of progressive ideologies and focus on objective facts from men's point of view? What are the potential consequences of failing to meet these expectations, and how can fathers navigate and challenge societal norms? In this groundbreaking book, Riker investigates the importance of father involvement in children's development and the potential risks of absent fathers. The evolutionary factors that have shaped the father archetype, from paternity uncertainty to the division of parental responsibilities. The rise of involved hands on fathering and the growing awareness of the importance of fathers in children's lives. The influence of father figures in religion, mythology, and politics, and how these perceptions have

shaped our understanding of fatherhood The role of modern fathers in promoting healthy relationships mental health and reducing the risk of domestic violence So if you want to shatter the father archetype revolutionize the role of fathers in society and navigate the evolving landscape of modern fatherhood then buy *Rise of the Involved Dad* today *Love Lamentations* Rajeev Bector,2025-01-05 The more Ajay Gill pursues love and happiness the more disenchanting and lonely he feels As Ajay learns to navigate New York's dating app culture he experiences a series of tumultuous relationships and endures emotional and psychological fallout The loss of connection with his son exacerbates his cynicism and estrangement and despite his multiple efforts to reconnect the relationship remains fraught with challenges and misunderstandings *Love Lamentations* uses a non linear structure weaving together various episodes to illustrate how happenstance and personal failure color one's conception of the universe Ajay's journey is one of introspection and self discovery as he gradually learns to accept and then embrace his destiny The novel explores themes of identity cultural dislocation and alienation *Blood Bound: A Steamy Private Security Unexpected Love Romance* Samantha Cole,2020-07-20 ROMANTIC SUSPENSE SINGLE MOM HEROINE MILITARY HERO An Emotional Romance About Unexpected Connections Dangerous Secrets and Building Forever One match changed their lives One mystery could tear it all apart Rylie Hart never imagined she'd become a mother overnight but when her best friend passes away she steps in to raise five year old Mickey as her own Just as they're finding their rhythm tragedy strikes again Mickey is diagnosed with leukemia and her only chance at survival is an anonymous donor Blackhawk Security CEO Chase Dixon never expected that donating bone marrow would change his life forever Fast forward a year he meets the little girl he saved and she captures his heart instantly but it's her fierce protective mother who brings him to his knees Just when Rylie starts to believe in happy endings Mickey's adoption is contested and a devastating secret comes to light Now Rylie's fighting not just for her daughter but for the man who's become her anchor in the storm Can she hold on to the life they've started or will the past steal it all away TROPES Single Mom Military Hero CEO Protector Romance Bone Marrow Donor Connection Child Custody Battle Steamy Romance Ready Made Family Unexpected Love Perfect for fans of Susan Stoker Cristin Harber and Chelle Bliss readers who love protective military heroes single mom heroines and BookTok worthy emotional romance with family stakes If you crave alpha protectors found family love and romantic suspense where family is everything then one click this impassioned romance now *Sacrificial Lambs* Anita Bartholomew,2025-11-04 Today more than 1 in 20 teens say they are transgender or gender questioning an order of magnitude higher than just a decade ago How is it possible that so many youngsters within just a matter of years became persuaded that they'd been born in the wrong body As liberal journalist Anita Bartholomew reveals in *Sacrificial Lambs* the answer lies not with gender confused children but rather with our most trusted institutions and the adults who run them the medical professionals who transition children to facsimiles of the opposite sex before they are old enough to know what sex is the teachers who tell kindergarteners that doctors only guessed their sex at birth and the mainstream media outlets that
