The Message of the Masters Frank Hugh O'Donnell, 2015-07-12 Excerpt from The Message of the Masters A Legend of Aileach This is not the poem of a rebel Rebellion implies government The thing which infests Ireland has been called a cancer It is not a government This is not the book of an enemy of the English nation I have always sought the welfare of the masses of the English people This is not the fabrication of a partisan All is historical fact in the present as in the past I have placed in the mouth of the Masters the denunciation of the Huns and Vandals of Tudor and Cromwell I have not concealed the O Connellite imposture nor the poor pretence of Parnellism About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works *The Literary World*, 1901

The Publishers Weekly, 1982 **The Great Message, Vol. 5** J. E. Richardson, 2017-12-23 Excerpt from The Great Message Vol 5 A Definite Message From the Great School of the Masters to Humanity Harmonic Series The great school OF the masters came into existence as a definite organic entity The exact time of its birth as an organization is so remote that it is not within the range of historic certainty and can there fore truthfully be said to be prehistoric The remoteness of its antiquity however may be safely assumed from the suggestion that it is said to have a record history of more than years If this be any where nearly correct it would seem justly to entitle the School to the designation of Ancient Indeed a record history of years would establish sufficient antiquity for all practical purposes About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **The**

Master Mummer (Classic Reprint) E. Phillips Oppenheim,2015-07-08 Excerpt from The Master Mummer Sheets of virgin manuscript paper littered my desk the smoke of much uselessly consumed tobacco hung about the room in a little cloud Many a time I had dipped my pen in the ink only to find myself a few minutes later scrawling ridiculous little figures upon the margin of my blotting pad It was not at all an auspicious start for one who sought immortality There came a growl presently from the other side of the room where Mabane attired in a disreputable smock with a short black pipe in the corner of his mouth was industriously defacing a small canvas Mabane was tall and fair and lean with a mass of refractory hair which was the despair of his barber a Scotchman with keen blue eyes and humorous mouth amply redeeming his face from the plainness which would otherwise have been its lot He also was in search of immortality Make a start for Heaven s sake Arnold he implored To look at you is an incitement to laziness The world s full of things to write about Make a choice and have done with it Write something even if you have to tear it up afterwards I turned round in my chair and regarded Mabane reproachfully About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works *Friends of the Master (Classic Reprint)* Arthur Foley Winnington-Ingram,2017-11-22

If I Should Meet the Master (Classic Reprint) George Thomas Smart, 2018-01-24

Excerpt from If I Should Meet the Master More warily still do I have to tread the road to find you in ecclesiastical life The Church your Church has been overzealous to protect you to defend you and it has Often hidden you in fastnesses whither few could come I breathed an exotic air as I sought you in the closed gardens of the papacy my spirit was oppressed its ights

denied Sometimes I found no Sign of you but merely a simulacrum sitting in your place nay climbing to a place you never sought and dictating yes dictating salvation to men forcing them to keep a regimental step in belief and works Then indeed I missed you and so did others Blessed Francis for one and Wycliffe and Luther About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
