## **Notes Of A Native Son Beacon Paperback:**

**Notes of a Native Son** James Baldwin, 1984 New introduction by the author Cover **Care of Souls, Care of Polis** Ryan LaMothe, 2017-07-25 In the fields of pastoral care and pastoral theology there are times when a book signals a paradigm shift. This is one such book. LaMothe develops a political pastoral theology that is used to examine critically political, economic and societal structures and practices. In the first part of the book LaMothe argues that care and pastoral care are political concepts which along with the notion of justice can be used as a hermeneutical framework to assess macropolitical and macroeconomic realities. Included in this section is the notion of civil and redemptive discourse necessary for the survival and flourishing of persons and polis. The last section of the book examines U.S. Empire capitalism, class, classism and other pressing political issues using the hermeneutical lens of care.

**Talking at the Gates** James Campbell, 2021-02-23 An intimate portrait of Baldwin's mythic life. James Baldwin was one of the most incisive and influential American writers of the twentieth century. Active in the civil rights movement and open about his homosexuality, Baldwin was celebrated for eloquent analyses of social unrest in his essays and for daring portrayals of sexuality and interracial relationships in his fiction. By the time of his death in 1987 both his fiction and nonfiction works had achieved the status of modern classics. James Campbell knew James Baldwin for the last ten years of Baldwin's life. For *Talking at the Gates*, Campbell interviewed many of Baldwin's friends and professional associates and examined several hundred pages of correspondence. Campbell was the first biographer to obtain access to the large file that the FBI and other agencies had compiled on the writer. Examining Baldwin's turbulent relationships with Norman Mailer, Richard Wright, Marlon Brando, Martin Luther King Jr., and others, this candid and original account portrays the life and work of a writer who held to the principle that the unexamined life is not worth living. This new edition features a fresh introduction addressing recent developments in Baldwin's reputation and his return to a position he occupied in the early 1960s when *Life* magazine called him the monarch of the current literary jungle. It also contains a previously unpublished interview with Norman Mailer about Baldwin which Campbell conducted in 1987.

**The Book Buyer's Guide**, 1963 *Native Sons* James Baldwin, Sol Stein, 2009-03-12 James Baldwin was beginning to be recognized as the most brilliant black writer of his generation when his first book of essays, *Notes of a Native Son*, established his reputation in 1955. No one was more pleased by the book's reception than Baldwin's high school friend, Sol Stein. A rising New York editor, novelist, and playwright, Stein had suggested that Baldwin do the book and coaxed his old friend through the long and sometimes agonizing process of putting the volume together and seeing it into print. Now, in this fascinating new book, Sol Stein documents the story of his intense creative partnership with Baldwin through newly uncovered letters, photos, inscriptions, and an illuminating memoir of the friendship that resulted in one of the classics of American literature. Included in this book are the two works they created together, the story *Dark Runner* and the play *Equal in Paris*, both published here for the first time. Though a world of difference separated them, Baldwin was black and gay, living in self-imposed exile in

Europe Stein was Jewish and married with a growing family to support the two men shared the same fundamental passion Nothing mattered more to either of them than telling and writing the truth which was not always welcome As Stein wrote Baldwin in a long heartfelt letter You are the only friend with whom I feel comfortable about all three heart head and writing In this extraordinary book Stein unfolds how that shared passion played out in the months surrounding the creation and publication of Baldwin s Notes of a Native Son in which Baldwin s main themes are illuminated A literary event published to honor the eightieth anniversary of James Baldwin s birth Native Sons is a celebration of one of the most fruitful and influential friendships in American letters    **The Publishers Weekly** ,1888    **The National Union Catalog** ,1961
