Principal focus: Through the use of contemporary examples, students investigate the legal nature of family relationships and the effectiveness of the law in achieving justice.

Themes and challenges to be incorporated throughout this topic:

- the role of the law in encouraging cooperation and resolving conflict in regard to family
- issues of compliance and non-compliance
- changes to family law as a response to changing values in the community
- the role of law reform in achieving just outcomes for family members and society
- the effectiveness of legal and non-legal responses in achieving just outcomes for family members.
