Nowhere To Call Home:

Nowhere to Call Home: Volume Two Leah Denbok, Tem Denbok, 2018-08-28 This book continues where my first book left off with forty photographs and stories of people experiencing homelessness It is a part of my ongoing mission begun with volume one to change the general public's perception of those experiencing homelessness So often as I stated in my first book they are viewed as subhuman creatures or a lower order of being than human Through my photographs and stories I am trying to humanize them to help the general public see that apart from the unfortunate circumstances in which these people find themselves they are no different than you and I I am heartened that judging from the comments that my first book has received from people around the world my work seems to be having this effect All royalties from this book will be given to Home Horizon Transitional Support Program

Nowhere to Call Home Leah Denbok, 2017-11-13 I invite you to look into the eyes of the homeless they tell a story Homelessness is a serious problem throughout North America even in Canada and the United States two of the richest countries in the world We must stop this madness says Leah Denbok the teenage Canadian photographer who travelled with her dad for over two years to cities throughout North America photographing and interviewing the homeless Leah was inspired by the story of her mother who at three years old was rescued from the streets of Calcutta by Saint Teresa formerly Mother Teresa Nowhere to Call Home is a collection of gritty black and white photographs and the personal stories of individuals who live on the streets The haunting beauty of the images will stay with you long after you turn the last page All the profits from the sale of this book will go to the Salvation Army Barrie Bayside Mission Centre
