**Hugh MacDiarmid, the Poetry of Self** John Baglow, 1987 Christopher Grieve writing under the name of Hugh MacDiarmid was a major modern poet and founder of the Scottish literary Renaissance In this study of his poetry John Baglow eliminates what has been a stumbling block for most MacDiarmid scholars by showing the very real thematic and psychological consistency which underlines MacDiarmid s work He demonstrates the extent to which the work was dominated by a desire to find a faith that could justify his desire to write poetry a desire continually thwarted by a critical intellect which destroyed whatever faith he was able to construct This constant search without a successful conclusion is at the heart of the work of many major modernist writers MacDiarmid s poetry can be seen as embracing this tradition and making it explicit

Celebrating Poetry Across the K-12 Curriculum Napoli, Mary, Day, Deanna, Ward, Barbara A., 2025-07-16 Poetry provides opportunities to explore the universal and common experiences that connect us as human beings When teachers infuse poetry into their classroom it can foster compassion develop interdisciplinary connections and

support literacy instruction However not all teachers use poetry in their classroom either because they are not aware of the value of poetry or because they have not had positive experiences with poetry Given the importance of sharing poetry with today s youth educators must feel confident in evaluating well written poetry and how to weave poetry from award winning poets to support interdisciplinary connections Celebrating Poetry Across the K 12 Curriculum aims to ensure that poetry for children is not neglected as part of the curriculum and to help educators feel more confident in their understanding of children s poetry its relevance to children s lives and its importance to supporting pedagogical connections Featuring interviews with well known poets this resource also showcases the latest pedagogical and scholarly research supporting the integration of poetry in the K 12 classroom Covering topics such as science content romanticism and diversity recognition this book is an excellent resource for educators classroom teachers literacy specialists librarians professionals researchers scholar academicians and more
