## **Operation Husky A Critical Analysis:**

Operation HUSKY: A Critical Analysis Lieutenant Colonel Stephen R. Cote USMC, 2014-08-15 The Allied invasion of Sicily was the largest amphibious operation conducted in World War II with over seven assault divisions landing across Italian beaches The planning and conduct of HUSKY was fraught with indecision fragmented planning poor coordination and a lack of unity of effort Husky proves to be an interesting case study of the operational level of war and provides several relevant lessons for today s commanders and joint staff officers This paper analyzes the Allied planning effort from the operational level of war only Specifically this paper analyzes the planning and conduct of HUSKY in regard to following seven operational functions operational intelligence operational command and control operational movement and maneuver operational command and control warfare operational fires operational protection and operational logistics The Allied invasion of Sicily was the largest amphibious operation conducted in World War II with over seven assault divisions landing across Italian beaches From 10 July to 17 Aug 1943 Allied forces fought a determined opponent that effectively traded space for time and successfully evacuated a large force to the mainland of Italy Operation HUSKY culminated in an Allied victory and proved to be the catalyst for the decision to invade the Italian mainland HUSKY proves to be an interesting case study of the operational level of war and provides several relevant lessons for today s commanders and joint staff officers Operation HUSKY: A Critical Analysis ,2001 The Allied invasion of Sicily was the largest amphibious operation conducted in World War II with over seven assault divisions landing across Italian beaches The planning and conduct of HUSKY was fraught with indecision fragmented planning poor coordination and a lack of unity of effort Husky proves to be an interesting case study of the operational level of war and provides several relevant lessons for today s commanders and joint staff officers This paper analyses the Allied planning effort form the operational level of war only Specifically this paper analyses the planning and conduct of HUSKY against the following seven operational functions operational intelligence operational command and control operational movement and maneuver operational command and control warfare operational fires operational protection and operational logistics **Monte Cassino** Peter Caddick-Adams, 2013 Waged deep in the Italian mountains beneath a mediaeval monastery the battle of Monte Cassino was an astonishingly brutal encounter grinding up ten armies in conditions as bad as the Eastern Front at its worst This book provides a vivid account of how an array of men from across the globe fought the most lengthy and devastating engagement of the Italian campaign in an ancient monastery town The Quiet Australian Eric Grounds, 2015-09-28 Teddy Hudleston was a pilot of immense skill and talent whose wisdom and resourcefulness in both war and peace carried him up through the ranks of the RAF a Squadron Leader at 28 he was promoted to Air Vice Marshal at the age of only 35 and finally retired after 40 years service as Air Chief Marshal He won the Croix de Guerre for his role in the Suez campaign and at the height of the Cold War he was made Commander of Allied Air Forces Central Europe serving in the front line of the defence against the Soviets He was knighted in 1963 This very private

Edwardian was dubbed by the newspaper obituaries the Quiet Australian for his unassuming manner His home life was more complicated as author Eric Grounds knows well for forty years Hudleston treated Grounds as his son He has now paid tribute to him by writing this affectionate biography **Field-Marshal Kesselring** Andrew Sangster,2015-04-01 Postwar analyses of Germany's last ever Field Marshal Albert Kesselring have tended to be sympathetic and even adulatory in their appraisals This book raises fundamental questions about their legitimacy and challenges the widely held belief that he was one of the greatest commanders to emerge from the last World War It illustrates that this reputation has been bolstered by the need to conceal the ineptitude and inexperience of Allied opposition Often seen as a benign and good natured patrician the study shows that he was deeply implicated in the Nazi preparation for war that he was guilty of serious war crimes and that he committed perjury to save himself at the expense of a junior general The book also highlights that the SS became a scapegoat for the whole Nazi regime that he became a pawn in Cold War politics which assisted his release from execution and prison that he survived the denazification process because it became a nonsense that those who hoped he would assume a leadership in postwar Germany were disappointed by his inability to accept the new Europe and that he died in ignominy The book is a re appraisal of Kesselring and demythologises many deeply held concepts of the period between 1930 and 1960

**Naval War College Review** ,2008 **M4 Sherman Tanks** Michael E. Haskew,2016-07-08 Be pulled into this dynamically illustrated history of the Sherman tank on its seventy fifth anniversary Be amazed by the entire scope of this iconic machine from design to service **The Operational Art** Bloomsbury Publishing,1996-09-24 This work considers the modern antecedents and evolution of the operational art in military thought and practice in both peace and wartime This theme is developed over time and across military cultures A comparative framework allows the treatment of the overall theme by examining the concept of the operational art in the context of different nationalities different military organizations and different societies This study situates the current operational art in its historical context **Government Reports**

Furman Daniel,2020-04-03 General George S Patton Jr is one of the most successful yet misunderstood figures in American military history Despite the many books and articles written about him none considers in depth how his love of history shaped the course of his life In this thematic biography Furman Daniel traces Patton's obsession with history and argues that it informed and contributed to many of his successes

both on and off the battlefield Patton deliberately cultivated the image of himself as a warrior from ages past the more interesting truth is that he was an exceptionally dedicated student of history He was a hard worker and voracious reader who gave a great deal of thought to how military history might inform his endeavors Most scholars have overlooked this element of Patton s character which Daniel argues is essential to understanding the man s genius **The Literary Review** ,1993
