Operation Mind Control Cryptocracy's Psychocivilize:

Operation Mind Control: the Cryptocracy's Plan to Psychocivilize You (Expanded Researcher's Edition) W.

Bowart, 2014-07-23 Walter Bowart 1939 2007 was a journalist and a prominent figure in the New York City counter culture of the 1960s He was influential in promoting intellectual freedom through his work as editor of The East Village Other and through his Freedom of Thought Foundation Bowart's Operation Mind Control The Cryptocracy's Plan to Psychocivilize You Expanded Researcher's Edition is a classic in the annals of conspiracy research It is a disturbing account of the secret use of mind control technology by a secret government or cryptocracy with an aim to pacifying whole populations and furthering private global investment strategies Meticulously researched and well written it remains even today one of the best books on the topic The original version of Operation Mind Control was the first book printed in the United States to explore the murky world of CIA mind control This theme is common in Hollywood movies today but at the time 1978 the topic was highly charged top secret and extremely dangerous to research The book quickly disappeared because the CIA did not want the public to know the extent and details of its mind control programs they actually bought up all of the copies that had been printed an entire warehouse full The book also began vanishing from libraries across the nation and virtually every copy available in bookstores disappeared Very few copies survived this purge Those that remained became quite rare and expensive In 1994 Bowart added several more chapters to the original book which had focused primarily on the use of hypnosis and drugs especially LSD variants to create mind controlled assassins This additional material which effectively doubled the book's size to almost 700 pages explores even stranger aspects of mind control such as the use of paranormal memes like alien abduction and missing time After writing the researcher's edition Bowart retreated from the scene having supposedly been threatened by Men in Black with termination with extreme prejudice This special 2014 reprint includes a Foreword by Richard Condon author of The Manchurian Candidate *Operation Mind Control* Walter Bowart, 1994
