Everything that most lawyers will need to improve their writing quickly and markedly is here. Authoritative and unique among legal writing guides, the book draws on a nationwide survey conducted by the authors. In their responses, 300 lawyers, judges, professors, writing instructors and legal journalists from all over the country provided insights into lawyers' writing habits. Throughout **The Lawyer's Guide**, authors Goldstein and Lieberman illustrate their points with instructive examples taken from these lawyers' daily practices. Complete with a glossary that addresses lawyers' most common errors, this easy to use book is an invaluable tool for practicing lawyers.
