Mixed Race Pre Teens Of All Nations Unmasking The Invisible Disabilities:

Mixed Race Pre-Teens of All Nations Myrtice J. Edwards, 2010-10-28 Mixed race people are always told what they should identify as. It's very difficult to fit neatly into America's idea of race. Some mixed race individuals battle other issues other than race such as homelessness, racial ambiguity, ADD, ADHD, illegal immigration, and/or being the first generation to come to America. These issues are not considered a disability, but often it feels like one to the person who is going through it. For the purpose of this book, I will use the word disability to describe how these unseen issues can impair normal behavior. It is only used to explain the issues that people may feel about themselves. By definition, if a medical condition does not impair normal activities, then it is not a disability. The term invisible disabilities usually refers to the way that people may feel about themselves. When most people think of a disability, they picture in their minds a person with a visible, obvious impairment. Some people with visual or auditory impairments who do not wear glasses or hearing aids may not be obviously impaired. Some may wear contacts, wear an ocular prosthesis or artificial eye, or have cochlear implants, a surgically implanted electronic device that provides a sense of sound to a person who is profoundly deaf or severely hard of hearing. Instead, just because no one can see your disability doesn't mean it doesn't exist. Invisible disabilities can affect you just as much as a visible disability like being blind or an amputee. I hope this book will help to unmask society's characteristics of people who think of their race or ethnicity as a disability. Hopefully, they will embrace who they are, their unique self. American society puts extreme value on image, how you look, and who you know. *Mixed Race Kids of All Nations* Myrtice J.

Edwards, 2008-10-17 We live in a society that constantly examines the importance of self-identity and the phenomenal experience that comes out of being multiracial or multiethnic. *Mixed Race Kids of All Nations* attempts to raise awareness among the biracial community. *Mixed Race Kids of All Nations* is a Christian book, and it is my conviction to inform children so that they can learn how to make better choices by referring to biblical scriptures. Children all around the world will resist social practices and cultural attitudes that are hurtful. This book has nine chapters that contain short stories about multiracial and multiethnic kids. This book is dedicated to all the multiracial people in the world.
