Due to the COVID 19 situation the conference was held fully online. The boost in digital education worldwide as a result of the pandemic was also one of the main topics of this year's EMOOCs. All institutions of learning have been forced to transform and redesign their educational methods moving from traditional models to hybrid or completely online models at scale. The learnings derived from practical experience and research have been explored in EMOOCs 2021 in six tracks and additional workshops covering various aspects of this field. In this publication we present papers from the conference's Experience Track, the Policy Track, the Business Track, the International Track and the Workshops.
