 Customers who place a standing order for the Tests in Print series or the Mental Measurements Yearbook series will receive  
 a 10% discount on every volume To place your standing order please call 1 800 848 6224 in the U S or 919 966 7449 outside  
 the U S Designed to complement the Mental Measurements Yearbooks Tests in Print fills a pressing need for a  
 comprehensive bibliography of all commercially available English language tests in print Although these volumes are useful  
 in and of themselves their maximum usefulness requires the availability and use of the Mental Measurements Yearbooks  
 Although information on available tests and specific test bibliographies is valuable the greatest service which Tests in Print  
 can perform is to encourage test users to choose tests more wisely by consulting the MMY test reviews test reviews from  
 journals and the professional literature on the construction use and validity of the tests being considered Although  
 information on available tests and specific test bibliographies is valuable the greatest service which Tests in Print can  
 perform is to encourage test users to choose tests more wisely by consulting the MMY test reviews the excerpted test  
 reviews from journals and the professional literature on the construction use and validity of the tests being considered Tests  
 in Print V contains information on over four thousand instruments Along with a brief description entries include population  
 scoring pricing publisher information and a reference list of professional literature citing articles relevant to individual  
 instruments Indexes of titles classified subjects names and scores as well as a publishers directory and index are included  
 with notations for out of print instruments Information is given for tests in a wide range of areas including education  
 psychology counseling management health care career planning sociology personnel child development social science and  
 research Tests in Print V also provides a comprehensive index to the Mental Measurements Yearbook by directing readers to  
 the appropriate volume or volumes for reviews of specific tests     *Railway Review* ,1892     *The Johns Hopkins University*
