**Optimizing Millennial Consumer Engagement With Mood Analysis** Dasgupta, Sabyasachi, Grover, Priya, 2018-07-20 Consumer engagement is becoming crucial to the recall and survival of brands in intense competitive markets. Due to digital innovations, businesses have seen the emergence of the millennial population as a target audience, and many businesses are struggling with adopting methods to engage the generation to leverage an enriched brand experience. **Optimizing Millennial Consumer Engagement With Mood Analysis** is a critical scholarly resource that explores how companies ensure brand sustainability through influencing the minds and moods of consumers to create an interactive customer experience. Featuring coverage on a broad range of topics such as product presentation, brand fandom, social media, lifestyle products, and buying behavior, this book is geared towards marketers, business managers, business practitioners, international business strategists, academicians, consumer researchers, and upper-level graduate students attempting to understand consumer engagement through mood analysis.

**Research Anthology on E-Commerce Adoption, Models, and Applications for Modern Business** Management Association, Information Resources, 2021-04-16 In the next few years, it is expected that most businesses will have transitioned to the use of electronic commerce technologies, namely e-commerce. This acceleration in the acceptance of e-commerce not only changes the face of business and retail but also has introduced new adaptive business models. The experience of consumers in online shopping and the popularity of the digital marketplace have changed the way businesses must meet the needs of consumers. To stay relevant, businesses must develop new techniques and strategies to remain competitive in a changing commercial atmosphere. The way in which e-commerce is being implemented, the business models that have been developed, and the applications, including the benefits and challenges to e-commerce, must be discussed to understand modern business. **The Research Anthology on E-Commerce Adoption Models and Applications for Modern Business** discusses the best practices, latest strategies, and newest methods for implementing and using e-commerce in modern businesses. This includes not only a view of how business models have changed and what business models have emerged but also provides a focus on how consumers have changed in terms of their needs, their online behavior, and their use of e-commerce services. Topics including e-business, e-services, mobile commerce, usability, models, website development, brand management, and marketing and online shopping will be explored in detail. This book is ideally intended for business managers, e-commerce managers, marketers, advertisers, brand managers, executives, IT consultants, practitioners, researchers, academicians, and students interested in how e-commerce is impacting modern business models.
