*HOW TO MAKE A ROBLOX GAME* JEREMY TUBBS, It all started when I noticed my kids spending hours on Roblox. Their eyes lit up every time they jumped, collected coins, or ran from hazards. They laughed, shouted ideas, and shared tips with each other. I watched them play, fascinated by their creativity and engagement. One day, it clicked: If they could spend so much time playing, why couldn't we create a game together? A game that could be fun, interactive, and maybe even profitable. I realized this was an opportunity to learn to build and to explore the world of Roblox development alongside my kids. Roblox is more than a game platform; it's a space where imagination meets creation. Players can explore worlds, complete challenges, and interact with friends and creators can build those worlds. I wanted to be one of those creators.
