Ribman,2021-04-12 This is a gloriously funny gloriously serious novel by Pulitzer Prize nominated playwright Ronald Ribman that actually answers the age old question How is it possible that one man who has magnificently succeeded as a most brave honorable and extraordinarily decent human being ends up with his head severed and in a pot of honey while another given everything turning everything to shit ends up blessed by a miracle given the one true love of his life and the ultimate answer to it all Ribman has given us a rich and enduring tale steeped in magical realism where walls are sometimes quivering membranes to be walked through and stars can find their way beneath your skirt to ravish you in all the secret places that are joy **Men's wear.
