The Unexpected Economics of Minimum Wages Michael Reich, 2015-08-11 This book presents a comprehensive analysis of the effects of minimum wages Michael Reich's cutting edge research findings challenge traditional approaches to the topic exploring the effects of minimum wage policies across different sectors groups and demographics

Sharing Economy Ming Hu, 2019-01-11 This edited book examines the challenges and opportunities arising from today's sharing economy from an operations management perspective Individual chapter authors present state of the art research that examines the general impact of sharing economy on production and consumption the intermediary role of a sharing platform crowdsourcing management and context based operational problems Sharing economy refers to a market model that enables and facilitates the sharing of access to goods and services For example Uber allows riders to share a car Airbnb allows homeowners to share their extra rooms with renters Groupon crowdsources demands enabling customers to share the benefit of discounted goods and services whereas Kickstarter crowdsources funds enabling backers to fund a project jointly Unlike the classic supply chain settings in which a firm makes inventory and supply decisions in sharing economy supply is crowdsourced and can be modulated by a platform The matching supply with demand process in a sharing economy requires novel perspectives and tools to address challenges and identify opportunities The book is comprised of 20 chapters that are divided into four parts The first part explores the general impact of sharing economy on the production consumption and society The second part explores the intermediary role of a sharing platform that matches crowdsourced supply with demand The third part investigates the crowdsourcing management on a sharing platform and the fourth part is dedicated to context based operational problems of popular sharing economy applications While sharing economy is becoming omnipresence the operations management OM research community has begun to explore and examine different business models in the transportation healthcare financial accommodation and sourcing sectors This book presents a collection of the state of the art research work conducted by a group of world leading OM researchers in this area Not only does this book cover a wide range of business models arising from the sharing economy but it also showcases different modeling frameworks and research methods that cannot be missed Ultimately this book is a tour de force informative and insightful Christopher S Tang Distinguished Professor and Edward Carter Chair in Business Administration UCLA Anderson School of Management

Beyond the Algorithm Deepa Das Acevedo, 2020-11-05 Qualitative empirical research reveals that the narratives and real life experiences defining gig work have concrete implications for law

Uberland Alex Rosenblat, 2018-10-23 Silicon Valley technology is transforming the way we work and Uber is leading the charge An American startup that promised to deliver entrepreneurship for the masses through its technology Uber instead built a new template for employment using algorithms and Internet platforms Upending our understanding of work in the digital age Uberland paints a future where any of us might be managed by a faceless boss The neutral language of technology masks the powerful influence algorithms have

across the New Economy Uberland chronicles the stories of drivers in more than twenty five cities in the United States and Canada over four years shedding light on their working conditions and providing a window into how they feel behind the wheel The book also explores Uber's outsized influence around the world the billion dollar company is now influencing everything from debates about sexual harassment and transportation regulations to racial equality campaigns and labor rights initiatives Based on award winning technology ethnographer Alex Rosenblat's firsthand experience of riding over 5 000 miles with Uber drivers daily visits to online forums and face to face discussions with senior Uber employees Uberland goes beyond the headlines to reveal the complicated politics of popular technologies that are manipulating both workers and consumers

Bradstreet's Weekly, 1890

Hustle and Gig Alexandra J. Ravenelle, 2019-03-12 Choose your hours choose your work be your own boss control your own income Welcome to the sharing economy a nebulous collection of online platforms and apps that promise to transcend capitalism Supporters argue that the gig economy will reverse economic inequality enhance worker rights and bring entrepreneurship to the masses But does it In *Hustle and Gig* Alexandra J. Ravenelle shares the personal stories of nearly eighty predominantly millennial workers from Airbnb Uber TaskRabbit and Kitchensurfing Their stories underline the volatility of working in the gig economy the autonomy these young workers expected has been usurped by the need to maintain algorithm approved acceptance and response rates The sharing economy upends generations of workplace protections such as worker safety workplace protections around discrimination and sexual harassment the right to unionize and the right to redress for injuries Discerning three types of gig economy workers Success Stories who have used the gig economy to create the life they want Strugglers who can't make ends meet and Strivers who have stable jobs and use the sharing economy for extra cash Ravenelle examines the costs benefits and societal impact of this new economic movement Poignant and evocative *Hustle and Gig* exposes how the gig economy is the millennial's version of minimum wage precarious work

Lyft This Week Introduction

In the digital age, access to information has become easier than ever before. The ability to download Lyft This Week has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Lyft This Week has opened up a world of possibilities. Downloading Lyft This Week provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Lyft This Week has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Lyft This Week. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Lyft This Week. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Lyft This Week, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Lyft This Week has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
