with how we find and affirm one another direct attention to human rights and social justice issues build narratives and make culture Mina finds parallels for example between a photo of Black Lives Matter protestors in Ferguson Missouri raising their hands in a gesture of resistance and one from eight thousand miles away in Hong Kong of Umbrella Movement activists raising yellow umbrellas as they fight for voting rights She shows how a viral video of then presidential nominee Donald Trump laid the groundwork for pink pussyhats a meme come to life as the widely recognized symbol for the international Women s March Crucially Mina reveals how in parts of the world where public dissent is downright dangerous memes can belie contentious political opinions that would incur drastic consequences if expressed outright Activists in China evade censorship by critiquing their government with grass mud horse pictures online Meanwhile governments and hate groups are also beginning to utilize memes to spread propaganda xenophobia and misinformation Botnets and state sponsored agents spread them to confuse and distract internet communities On the long winding road from innocuous cat photos internet memes have become a central practice for political contention and civic engagement Memes to Movements unveils the transformative power of memes for better and for worse At a time when our movements are growing more complex and open ended when governments are learning to wield the internet as effectively as protestors Mina brings a fresh and sharply innovative take to the media discourse
