The iPod Book Scott Kelby, 2005 There are basically two kinds of iPod books. 1. The tell me all about it kind, which include in-depth discussions on compression algorithms, debates about analog vs digital equalizers, and how to export your playlist in Unicode format. And 2. there's this book. It's not a tell me all about it, it's a show me how to do it book. Award-winning author Scott Kelby shows you step by step how it's all done using the same casual plain English style that made him one of the world's bestselling technology authors. You'll learn how to do only the most important, most requested, and just plain cool things you're going to want to do with your iPod, so you can start having fun with it today. Right now. Each page covers just one topic, complete with full color photos, making it easy to find just what you're looking for. Plus, it shows you how to get the most from the iTunes Music Store, how to integrate your iPod into your car, which iPod accessories are hot, and there's even entire chapters on using Apple iPod photo and the new iPod shuffle. It's all here in the only book of its kind, and you're gonna love it.
