Strategies for Success: Self-Promotion Secrets for Musicians Michael Gelfand, 2010-03-15 This book for professional and amateur musicians is an inspired cross between Stephen Covey's wildly popular *Seven Habits of Highly Effective People* and Debbie Allen's *Confessions of a Shameless Self Promoter*. Musician and rock journalist Michael Gelfand of the band Fuller shoots from the hip and tells his fellow musicians the straight truth about this business. It will chew you up and spit you out all before breakfast unless you've got a solid plan of attack. This advice is for every struggling musician out there who wants their band to gain momentum and break through the noise. **Building an Award-winning Guitar Program** Bill

Author Bill Swick has crafted this book to help these educators build such innovative music programs from the ground floor based on his years of experience as a music educator specialized in guitar. The book will assist music educators with classroom management, scheduling, structure, organization, fund raising, festivals, travel, and other subjects related to teaching guitar in the classroom, but its principles are broadly relevant to any and all music educators hoping to create a unique program that stands out within their school district and state, attracting students, parents, educators, and administrators alike. **The Artist's Guide to Christian Music** Patrick Garrett, 2005 A COMPLETE PRACTICAL GUIDE TO
