Reading Comprehension John D. McNeil,1987 **Rethinking Reading Comprehension** Anne P. Sweet,Catherine E. Snow,2003-04-30 This practical book grows out of a recent report written by the RAND Reading Study Group RRSG which proposed a national research agenda in the area of reading comprehension Here RRSG members have expanded on their findings and translated them into clear recommendations to inform practice Teachers gain the latest knowledge about how students learn to comprehend texts and what can be done to improve the quality of instruction in this essential domain From leading literacy scholars the book explains research based ways to Plan effective instruction for students at all grade levels Meet the comprehension needs of English language learners Promote adolescents comprehension of subject area texts Understand the complexities of comprehension assessment Get optimal benefits from instructional technologies And much more Teaching Reading Comprehension Strategies Sheena Cameron,2022 A new and updated edition of this practical resource that answers the many questions teachers have about how to improve student reading comprehension Teaching Reading Comprehension Strategies is a step by step guide based on the latest reading comprehension research and is the result of Sheena Cameron s learning journey into research based practice and her extensive experience teaching in classrooms This resource includes relevant new research and information and explains how it impacts on improving comprehension There is guidance on how to introduce and teach each strategy and how it fits into your literacy programme including an explanation of the strategy and how it supports comprehension the language we use when using a strategy guided and independent student activities that support teaching the strategy An extensive range of new teacher and student friendly support material including new activities blackline masters posters and a strategy icons package is available digitally from the eBook This resource is suitable for primary elementary and intermediate middle school teachers *To Understand* Ellin Oliver Keene,2008 To Understand proposes a model that incorporates all aspects of literacy instruction and describes how teachers can focus on what matters most Keene shows that when teachers target the most essential content they can help every student engage more deeply with texts and discover a passion for reading and learning You ll learn to draw out students intellectual interests and spark improvements in their literacy learning and comprehension even among students who struggle You ll see that teaching the Outcomes and Dimensions of Understanding can help readers exceed expectations and also help broaden your vision of their capacity and energy for learning Understanding and Teaching Reading Comprehension Jane Oakhill,Kate Cain,Carsten Elbro,2014-08-21 The ultimate aim of reading is not the process but to understand what we read and comprehension can take place at many different levels There has been an increasing emphasis on the importance of reading comprehension in recent years but despite this there is very little written on this vital topic accessible to trainee and practicing teachers The Handbook of Reading Comprehension presents an overview of recent findings on reading comprehension and comprehension problems in children It provides a detailed examination of the

characteristics of children who have reading comprehension difficulties and examines ways in which comprehension can be supported and improved. It is accessibly written for students and professionals with no previous background in the psychology of reading or reading problems. This indispensable handbook asks the question what is comprehension. The authors consider comprehension of different units of language understanding single words sentences and connected prose and outline what readers and listeners have to do to successfully understand an extended text. This book also considers comprehension for different purposes in particular reading for pleasure and reading to learn and explores how reader characteristics such as interest and motivation can influence the comprehension process. Different skills contribute to successful reading comprehension. These include word reading ability vocabulary knowledge syntactic skills memory and discourse level skills such as the ability to make inferences knowledge about text structure and metacognitive skills. The authors discuss how each one contributes to the development of reading comprehension skill and how the development of these skills or their precursors in pre readers provides the foundation for reading comprehension development. Areas covered include Word reading and comprehension Development of comprehension skills Comprehension difficulties Assessment Teaching for improvement Throughout the text successful experimental and classroom based interventions will be highlighted practical tips for teachers and summary boxes detailing key points and explaining technical terms will be included in each chapter. **Spotlight on Comprehension** Linda Hoyt, 2005 *Spotlight on Comprehension* presents a tapestry of short highly practical essays loaded with ready to use strategies for teaching reading comprehension and assessing understanding. Hoyt and an All Star ensemble of contributors including Ellin Keene Tony Stead Nell Duke Franki Sibberson Mike Opitz David and Yvonne Freeman Adria Klein Mary Lee Hahn and Gretchen Owocki cover the spectrum of comprehension instruction addressing topics like implementing the latest research on reading comprehension into your instruction improving children's comprehension strategies especially questioning inferring and summarizing helping emerging developing and second language readers improve their comprehension using writing to build reading comprehension tackling a range of texts and genres across the curriculum including standardized tests building a robust vocabulary organizing instruction around guided reading the read aloud and independent reading Best yet Hoyt and her expert contributors include handy tools like checklists sample lesson plans book lists strategy lists assessment rubrics and learning extensions that will help you take their ideas and use them in your own classroom immediately. Each chapter even includes Key Questions designed to stimulate personal reflection and support professional conversations or book study groups. Read *Spotlight on Comprehension* in short segments or all at once by yourself or with friends and colleagues and gather a wealth of strategies for building a literacy of thoughtfulness which will empower your students to get the most meaning from the varied texts of our world. **Reading Instruction That Works** Michael Pressley, Richard L. Allington, 2014-10-03 This widely adopted text and K-8 practitioner resource demonstrates how successful literacy teachers

combine explicit skills instruction with an emphasis on reading for meaning Distinguished researcher Richard L Allington builds on the late Michael Pressley's work to explain the theories and findings that guide balanced teaching and illustrate what exemplary lessons look like in action Detailed examples offer a window into highly motivating classrooms around the country Comprehensive in scope the book discusses specific ways to build word recognition fluency vocabulary and comprehension especially for readers who are struggling New to This Edition Updated throughout to reflect important recent research advances Chapter summing up the past century's reading debates and the growing acceptance of balanced teaching New and revised vignettes of exemplary teachers Subject Areas Key Words balanced instruction classrooms comprehension decoding elementary reading methods engagement exemplary teachers explicit instruction fluency literacy meaning motivation primary grades reading instruction skills strategies struggling readers teaching vocabulary whole language word recognition Audience Teacher educators and graduate students reading and literacy specialists K-8 classroom teachers Serves as a text in such courses as Reading Methods Elementary Literacy Instruction Reading Diagnosis and Instruction and Psychology of Reading New Methods in Reading Comprehension Research David E.
