**A Comparison of High School Head Football Coaches' Personal, American Cultural and Football Values** William Rudolph Hughes, 2010

**It's Your Attitude** Chris Thurman, 2021-06-07 Your attitude makes or breaks you in life. We all have attitudes that are toxic and damaging to our lives, and we all have healthy attitudes that help us to experience life in full. Have you ever wondered what the worst most toxic attitudes are? Have you ever wondered what the best most life-enhancing attitudes are? Wonder no more. This book will help you better understand the good and the bad when it comes to the attitude you carry into each day. Far too often we focus on changing our circumstances as the best way to improve our lives. While that's all well and good, changing your attitude for the better is far more important than changing your circumstance in life. We don't need an attitude adjustment; we need an attitude overhaul. Read this book; it will help you do just that.

**Handbook of Statistical Methods and Analyses in Sports** Jim Albert, Mark E. Glickman, Tim B. Swartz, Ruud H. Koning, 2017-02-03 This handbook will provide both overviews of statistical methods in sports and in-depth treatment of critical problems and challenges confronting statistical research in sports. The material in the handbook will be organized by major sport: baseball, football, hockey, basketball, and soccer, followed by a section on other sports and general statistical design and analysis issues that are common to all sports. This handbook has the potential to become the standard reference for obtaining the necessary background to conduct serious statistical analyses for sports applications and to appreciate scholarly work in this expanding area.
