Geography of India - Specially for UPSC and Other Competitive Exams of India Krishna Kumar V,2021-10-17 Description of the book Geography of India is one of the major subjects of UPSC civil services both in preliminary and main examination for General Knowledge and optional papers This is

not only useful for humanities candidates but also a large number of science background civil service aspirants. The book has also covered UPSC syllabus and the University syllabus. The successful preparation for the preliminary and mains examinations requires deep study of the relevant subjects. The questions asked in both prelims and mains are highly at application level. The content of this book was decided after a detailed analysis of previous question papers of UPSC prelims and mains exams. Before finalizing the book feedback was taken by aspirants. The entire book is divided into 19 units as per the UPSC syllabus, each unit being dealt with in a practical manner. In addition to this each unit is supported by a large number of maps, tables, graphs, relevant and recent statistical data, and key points are provided throughout the text. Lastly, the book provides previous years solved prelims questions on Geography of India from 1991 to 2021. I hope it will be more useful to the reader in making the ideas clear. This book is prepared based upon my one and a half decade teaching experience both at university and competitive exam centers. It is a reliable, comprehensive, and up-to-date book on the subject. It studies the availability and potential of various physical, economic, and human resources of the country. The book has been written in a simple manner and it includes recent information. I hope the students and teachers get maximum benefit out of it.
