

## No Mayo!

After all that I've seen on chapter 10 this summer diet, low carbohydrates, but this recent year, eating healthy seems to be the best diet. I'm going to go to the gym more and eat healthy. Weight loss seems to just really benefit our body. But it is also more fun to eat healthy and have more energy. These are probably not reasons why people choose to be on a low-carb diet. For some, it is a personal ethical decision based on the belief that eating carbohydrates like the ones we're eating causes a weight-loss lifestyle for the health reasons. A weight-loss diet that loses, changes the body's fat levels, changes, obesity, diabetes, and some forms of cancer. In addition, weight loss itself can reduce blood pressure and cholesterol levels. Thus, in addition, weight loss is also more associated with better health than eating meat. The production of meat is negatively impacting our land, water, and soil. This goes against the environment, something that we all care for, the environment of course. There are many good reasons to avoid meat!

Decide whether the following inference supports the inference that eating meat hurts the environment.

Circle off the reasons that support the inference.

	Supports	Doesn't support
In addition, weight loss can help prevent some diseases.	no	no
Weight loss can reduce blood pressure and cholesterol.	no	no
The production of meat is negatively impacting our land, water, and soil.	no	no

## KEY IDEAS

## A. New Friend

My friend is really excited, she is moving.  
Moving to a new neighborhood is exciting.  
She moves with her mom, dad, brother,  
and even the dog. She is going to go to a new school.

I'm going to have to go to a new school,  
new friends, new room, a new classmate.  
New teacher, new hallway, new me.  
I'm definitely going to feel nervous.

My friend is really excited.  
My friend can't wait to go to school.  
My friend is moving to a new place.  
I wish I could do the same just like her.

I'll be going to a new school to meet new people.  
And I want to eat pizza like in the past.  
I'll be able to eat a meal just like.  
And I'd come home feeling tired all

The details in this poem support the key idea that the speaker is...

- ➊ excited to make new friends
- ➋ upset about switching schools
- ➌ scared no one will like them
- ➍ nervous about starting the new school year

Circle your answer in the box.

The poet uses \_\_\_\_\_ as a point of view in this poem.
