,1984      **Life, Liberty and the Pursuit of Anything** Edward Quiros MD MBA FACS,2019-07-29 I am not a writer or an author of novels or essays It always discourages me to see so many authors or writers some established others just attempting to make a name for themselves every time I enter a bookstore and see thousands and thousands of titles of novels or books or whatever the writer thinks it is worth writing about Some are new editions others neatly arranged in that heap called bargain purchases It immediately put a stop to my idea of putting what I think is a subject that must be indelible of everyday events that people talk about after seeing it on TV or coming across it on a page of a local or national newspaper Something like Charles Krauthammer s seminal essays in *Things That Matter* Andy Rooney s astute observations in *Common Sense* or the provocative articles in humorist Dave Barry s *I Am Not Making This Up* But growing older in age and with the remaining future not so distant anymore the impulse and the courage to tell anyone who is interested in what you have to say becomes compulsive as magma wanting to erupt from the bowels of the earth s core That is why these essays compiled and

culled from the files of what I have kept these years writing editorials in magazines from applications to a graduate school I never finished and received a diploma and from other sources the names I can t recall from recent and contemporaneous events onerously repeated by pundits and so called experts became bound in a form you are holding today The ideas may be past but still relevant They might be current and dissecting them with the pros and cons of opinions providing the diversity we strive for I do not claim originality in the subjects I write about They might not be original but I have burnished them with a different patina the reader never thought of colorizing The research of some of the data was done via websites different articles read speeches made my notes and recollections and some older versions of articles I have written in some newsmagazines For privacy reasons I have changed the names in one essay in particular as I was not successful in communicating with the persons despite attempts at doing so I have also to the best of my ability adhered to the fair use doctrine using some data or quotations in some of my essays In any case I hope it is while your time effort and your trip to the bookstore to come up and peruse what is in your hands     **The Morning Star and Free Baptist** ,1897
