Walking Workout Price Customer Service:

Keys to Terrific Customer Service (paperback) Laurence Hatch, 2008-09-14 *Keys to Terrific Customer Service* is not just a motivational book like hundreds of other customer service books on the market. It is a serious textbook that analyzes all aspects of customer satisfaction trends in modern high tech service delivery and new concepts of measuring customer wants and needs. KTTCS is an ideal inspirational resource for any small business owner, customer service manager, quality assurance specialist, service process planner, customer relations supervisor, or business consultant. Over 165 topics are covered in remarkable detail with clear examples and action plans.

Health Fitness Management Mike Bates, 2018-11-15 *Health Fitness Management* Second Edition provides an in-depth picture of the varied and rewarding role of the health and fitness club manager. With contributions from leading experts in the fitness industry, several new chapters, a more practical emphasis, enhanced features, and the addition of instructor resources, this second edition is the most authoritative and field-tested guide to management success. Whether soothing disgruntled members, ensuring club safety and profitability, or motivating staff to perform at their best, health and fitness club managers require the right mix of skills and flexibility to support the success and continued growth of their clubs. Both aspiring and practicing club managers can rely on *Health Fitness Management* to help them acquire and improve their management skills across all areas:

- Human resources: Understand the importance of organizational development and the payoffs of thoughtful staff recruitment, training, development, retention, and compensation.
- Sales and marketing: Discover new ways to attract and retain members and increase profitability with the right mix of products and services.
- Financial management: Learn how to read financial statements and understand and control the risks associated with running a fitness club.
- Facility maintenance: Implement systems to ensure the upkeep and safety of the facility and its equipment.
- Program evaluation: Determine the fitness level of the club and its programs, capitalize on strengths, and find solutions to improve weak areas.
- Industry perspective: Understand the history of health and fitness management, its present status, and future trends.

Health Fitness Management Second Edition has been fully updated and organized for maximum retention and easy reference. Each chapter begins with *Tales From the Trenches*, a real-life example that clearly illustrates the chapter's theoretical focus. *Special The Bottom Line* segments sum up the key points of the chapters in an applied context so readers can see exactly how the information is applied on the job. Learning objectives, key terms, and a list of references and recommended reading round out each chapter to make the material even more comprehensive to students. A new instructor guide and test package make the text ideal for instructors teaching a course. Practitioners will find the added bonus of many time-saving, reproducible forms, including a sample membership agreement, an equipment maintenance form, and a guest registration and exercise waiver. Written by industry experts with more than 300 combined years of experience, *Health Fitness Management* Second Edition is the fundamental resource for the management and operation of health and fitness facilities and programs. Enhanced with

practical scenarios and applied knowledge it provides a solid foundation for students preparing for a management career in the health and fitness industry and serves as an essential reference for professionals already enjoying the challenges and opportunities of club management For information on system requirements or accessing an E book after purchase click here
