economists who happen to be horseracing buffs outline a tested strategy for placing bets that will increase the reader's chances of a happy outcome at the track. The authors are the first to point out that getting rich at the racetrack is unlikely. They do maintain, however, that with attention to their systematic approach, the racing fan can achieve the best possible chance at winning. In the process, the reader learns some of the most important measurement techniques in the social sciences as well as the basic methods of market analysis.
